

Behaviour

The aim of our behaviour policy is not to punish or discipline the children.

Any measures we put in place are to help everyone understand the importance of rules, routines, expectation and recognition of boundaries in establishing safety and protection for all.

Please talk to you children about:

- the importance of using names to address people respectfully;
- the problems of swearing and sexualised language and how offensive people find it;
- the need to respect property and look after toys and equipment and to use them for the purposes they are intended for.

We need your support in maintaining social order and harmony in school and in the community and modelling good relations is essential.

Year 6 Bikeability

This is a reminder that on Monday 6th July and Tuesday 7th July Year 6 children will be taking part in the Level 2 Bikeability Course. The children will need to bring their bike and helmet. If your child does not own a bike or helmet, one can be provided for them.

Welcome to this week's
 Information Newsletter

If your child is off school, please
 can you call the school office

01246 823240.

Trips that took place this week!

Y2 & Y4 Moorland Discovery Centre

On Wednesday the Year 2 and Year 4 children visited the Moorland Discovery Centre at Sheffield. The Year 4 children walked 4km, paddled in the river, learned about moorland plants and chased some dog biscuits. The Year 2 children loved their trip to the Moorland Discovery Centre. The children enjoyed finding out how to measure a tree to find its age, a treasure hunt to identify fruit & veg that was growing in the kitchen garden & making our own plant pots to grow wildflowers for the bees.

Y1 Harley Gallery

The children visited Harley Gallery in Worksop. The children walked around the galleries and learnt about different artists. They took part in all sorts of activities. The children played a game of where the children had to find a pearl. The children were given a clipboard with pictures and descriptions of art displayed in the galleries. The children had to tick off the picture or description once they found it in the gallery. The children took part in a clay workshop. The children learnt different techniques of how to mould the clay. The children had to make an animal out of clay and use different tools to do it. Once the clay has dried the children will be able to take home their animal.
