Free Breakfast for Summer: Morrisons and Kellogg's

Morrisons and Kellogg's have announced the return of their school holiday 'Breakfast Clubs', offering free meals to families across the UK to help ease the financial pressure over the summer holidays.

As schools close for the summer holidays, many parents face a financial pinch, with new research from Morrisons showing that more than half (54%) of parents feel the strain during the long summer period. In fact, "week three" of the school holidays is the critical tipping point where the financial impact is most acutely felt by households.

Almost half (48%) of parents also confessed they have been forced to skip meals entirely just to make ends meet and ensure their child does not go without – with breakfast being the number one thing cut from the menu.

Families visiting their local Morrisons Café throughout the summer holidays can enjoy a free 'Kellogg's Breakfast', which includes a bowl of cereal and a portion of fruit. The best part, it's not just for kids, adults get to eat completely free too.

Both kids and adults can choose from much-loved favourites Corn Flakes or Rice Krispies, topped with their choice of dairy or non-dairy milk and a free apple or banana.

The summer holiday offer will be available from 29th June to 6th September across all Morrisons Cafes nationwide*.
