## Parent Governor Vacancy

Dear Parents and Carers,

We are looking for enthusiastic and committed parents to join our governing board at New Bolsover Primary and Nursery School. As a parent governor, you'll play a vital role in supporting and challenging the school to achieve the greatest outcomes for our 220 pupils.

A governor will work with the headteacher and staff to set the school's visions and priorities. You will set the school's ethos and strategic direction. You will help oversee the financial performance of the school and ensuring that money is well spent. They hold the headteacher to account for the educational performance of the school. They engage with pupils, staff, parents and the wider school community to understand their views.

It will involve attending 4 meetings per year. Occasionally, you will need to visit the school to view our work in action. These visits will help you find out more about our school and the views of our staff, pupils and parents. You will need to participate in training and development to further your skills to suite the governing board.

We are welcoming individuals from all backgrounds and experience levels. Ideally skills in finance, HR, project management and community engagement are welcomed.

No previous experience is required in education only an interest in helping our school thrive. Training and support will be provided.

The benefits of being a governor is having a particular vision on raising the education standard and care to improve the lives of all pupils, especially those disadvantaged, those with SEND, those known to social care, those who may face other barriers to their learning/ well-being. You'll be able to develop personal skills for example leadership, problem solving and strategic thinking.

Please read the information sheets on Parent Hub. Please collect the forms from the school office.

Trans Pennine Trail

The Trans Pennine Trail is a wonderful resource for families, offering a safe and accessible route for walking, cycling, horse riding and wheeling. Getting outside on the trail is a fantastic way to experience fresh air and the beauty of the changing seasons- especially at this time of year. Whether it's a short stroll to spot autumn colours or a longer adventure, the Trail provides opportunities for everyone to connect with nature and stay active.

If you are interested, there are Trans Pennine Trail leaflets available for you to collect from the school office.
