Appendix 6 – Guidance for Removing Pupils the School Roll	27
Appendix 7 - Strategy for Improving Persistent and Severe Absence	28

Statement of Intent

We want your child to thrive in our federation every day. We build strong and enduring relationships because we believe this is the foundation pupils need to fully engage in our community, to feel a sense of belonging and succeed. By educating with love with strive for all of our children to live life in all its fullness.

Every child has a right to access education, and **everyone** is responsible for supporting and promoting excellent school attendance and punctuality. The West Exmoor Federation is committed to providing the highest quality of education to our children and we recognise the clear link between attendance and the attainment of our children.

The aim of this Attendance Policy is to enable the West Exmoor Federation to provide a consistent practice that actively encourages and supports the highest possible levels of attendance for all our children. The West Exmoor Federation takes a whole-school approach to maintaining regular attendance and to achieve this, all members of our federation community have an important contribution to make. It is vital that we work in partnership to ensure that any in-school or out-of-school barriers are removed at the earliest opportunity; this is achieved through early and meaningful support.

We support parents to perform their legal duty to ensure their children of compulsory school age attend school regularly and in addition, promote and support punctuality when attending lessons.

We are committed to taking positive action in the line with the Equality Act (2010) regarding the needs of people with protected characteristics. These are age, disability, pregnancy and maternity, religion and belief, race, sex, sexual orientation, gender reassignment and marriage and civil partnership. We make reasonable adjustments to avoid anyone with a protected characteristic being placed at a disadvantage. Our relentless approach to ensuring our children attend school and receive the education that they deserve, and are entitled to, is central to our federation values and our mission to 'educate with love for life in all its fullness'.

This policy is supported by policies relating to child protection and safeguarding, anti-bullying, behaviour, inclusive learning, equality, special educational needs and teaching and learning.

It is our duty to strive for a goal of 100% attendance for all children so that they can take full advantage of the opportunities offered. It is vital that your child is at school, on time, every day the school is open, unless the reason for absence is unavoidable. Therefore, this policy has been created to help support the federation in effectively managing absences so that our children (your children) can make the most of the educational and life opportunities available to them.

In summary, The West Exmoor Federation aims to meet its obligations relating to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence by effectively removing the barriers to attendance
- Ensuring every child has access to full-time education to which they are entitled
- Acting early to address patterns of absence
- Minimising the disruption caused by late arrivals or non-attendance to the quality of the education and provisions for all children

Scope of Policy

This policy applies to all school leaders, staff, parents, and children.

- 1.1 For the purposes of this policy, references to 'teachers' include all paid staff responsible for the supervision of children.
- 1.2 For the purposes of this policy, references to 'children' include all learners in our school.
- 1.3 For the purposes of this policy, references to 'school' refers to all education settings, regardless of type.
- 1.4 For the purposes of this policy and the procedures, we refer to Section 576 of the Education Act which defines the 'parent' of a child or young person as:
 - Both of their natural parents, whether they are married or not.
 - Any person who, although they are not the natural parent, has parental responsibility for the pupil or young person, as defined in the Children Act (1989).
 - Any person who, although not the natural parent, has the care of the child or young person i.e., a person with whom the child lives, irrespective of their relationship to the child.

1 Legal Framework

This policy meets the requirements of the working together to improve school attendance from the Department for Education (DfE) and refers to the DfE's statutory guidance on school attendance parental responsibility measures.

These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- The Education Act (1996)
- The Education Act (2002)
- The Education and Inspections Act (2006)
- The Education (Pupil Registration) (England) Regulations (2006)
- The Education (Pupil Registration) (England) Regulations (Amendment 2010)
- The Education (Pupil Registration) (England) Regulations (Amendment 2011)
- The Education (Pupil Registration) (England) Regulations (Amendment 2013)
- The Education (Pupil Registration) (England) Regulations (Amendment 2016)
- The Education (Penalty Notices) (England) Regulations (Amendment 2013)

This policy also refers to the DfE's guidance on the school census, which explains the persistent absence threshold.

Responsibilities

- 3.1 All children aged 5 - 16 years must receive suitable education. (Section 7, *Education Act (1996)*). A child of compulsory school age who is registered at a school must, by law, attend regularly.
- 3.2 By law, parents have the prime responsibility for ensuring that children of compulsory school age attend regularly. (Section 576, *Education Act (1996)*).
- 3.3 The Local Authority (LA) must offer educational provision for all children of school age.
- 3.4 By law, all schools (except those where all pupils are boarders) are required to keep an attendance register, and all children must be placed on this register from the beginning of the first day on which the school has agreed or has been notified that the child will attend the school.
- 3.5 Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.
- 3.6 By law, all schools must keep an admissions' register, the contents of which includes all children, their personal details, (including at least two telephone numbers for different safe adults, to ensure that we can always contact someone in the event of an emergency), the date of admission (or re-admission), information regarding parents and details of the school last attended.
- 3.7 Children will be removed from roll only when they complete their education stage, transfer to another school, move out of the area or emigrate or following a parental request for elective home education. We follow statutory guidance for removing pupils from roll and notifying the local authority. Further information can be found in Appendix 6.
- 3.8 There is a clear link between attainment and attendance. Under **section 444 (1)** of the **Education Act 1996** (EA 1996), a parent commits an offence if they fail to ensure their child's regular attendance at a school where the child is registered. We therefore enforce the use of statutory action to encourage and promote attendance, this is done to ensure that all children can benefit from their legal right to receive an education.
- 3.9 The federation will communicate attendance concerns to a child's social worker, if they have one, or The Virtual School Head, if the pupil is a looked after child. This will be done as soon as there is an attendance concern and immediately upon becoming a persistent absentee. Unexplained absences will also be communicated to the social worker and Virtual School Head, where relevant.
- 3.10 We have a roles and responsibilities framework outlined in Appendix 3 to complement this policy. This defines agreed roles and responsibilities for parents, children and staff. This includes the new responsibility for our Federation Attendance Champion, Jayne Peacock.

2 Definitions

- 4.1 A child is classed as absent if they arrive after the register has closed or if they do not attend for any reason.
- 4.2 An authorised absence is when approval has been given in advance for a child of compulsory school age to be absent for a specific (legal) purpose, or we have accepted

an explanation offered afterwards as justification for absence from a parent or carer. This may include:

- An absence for illness for which we have granted leave
- Medical or dental appointments may be granted leave where every attempt has been made to arrange outside of school hours, has been unsuccessful and so cannot be avoided, or where the appointment is a genuine emergency
- Religious or cultural observances for which we have granted leave. The day must be exclusively set apart for religious observance by the religious body to which the parents or child belong. Where necessary, we will seek advice from the parents' religious body about whether it has set the day apart for religious observance
- An absence due to a change to exceptional circumstances

4.3 An unauthorised absence is defined as one where we are not satisfied with the reasons given for the absence. Reasons may include:

- Parents keeping children from attending unnecessarily or without reason
- Missing sessions before or during the school day
- Absences which have never been properly explained
- Arrival after the register has closed
- Day trips and holidays in term time that have not been agreed
- Leaving our school without authorisation during the day

4.4 Persistent Absence is defined as: 10% or more of sessions missed (based on each child's possible sessions). Absences may be authorised or unauthorised.

4.5 Severe Absence is defined as: 50% or more of sessions missed (based on each child's possible sessions). Absences may be authorised or unauthorised.

4.6 Persistent lateness is defined as children who have five or more late marks recorded in a single half-term.

3 Monitoring and Reviewing Attendance

5.1 We recognise that early intervention can prevent poor attendance. We monitor attendance and punctuality throughout the year. We recognise that certain groups of children may be more at risk of poor attendance and will provide support and assistance wherever possible.

5.2 We set challenging attendance targets for the whole federation.

5.3 Child-level absence data is collected regularly and published at national and local authority level through the DfE's school absence national statistics releases. We compare our attendance data to the national average.

5.4 Specific measures are taken to monitor attendance. These processes are embedded and regularly checked to ensure the effective safeguarding of all children through specific tailored interventions. Data on attendance is collected and analysed a minimum of once a half term. Key analysis is made of:

- Patterns of absence
- Patterns of lateness
- Patterns of medical appointments
- Correct and consistent use of absence codes

- Trends in reasons for absence, for example, use of the C code, leave of absence and exclusions
- Trends in particular groups of children for example, pupils with Special Educational Needs and Disability (SEND).

5.5 Attendance data informs action planning and supports the identification of key priorities in our federation improvement plan and future revisions of this policy. The attendance data will be reported to the Governing Body. It will also be shared with all other relevant staff, to facilitate discussions with children and families. Data will also be used by the federation to monitor the impact of any interventions put in place to modify them and inform future strategies.

4 Reviewing this Policy

This policy will be reviewed every three years or in the following circumstances:

- Changes in legislation and/or government guidance
- As a result of any other significant change or event
- If the policy is determined not to be effective

2. Maintaining an Attendance Register

2.1 The attendance register will be taken at the start of the first session of each school day and once during the pm session. It will mark whether each child is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

2.2 Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person making the amendment

- 2.3 The school gates are open from: 8:30pm. The school day starts at 8.45am. All pupils should be in their classroom at this time.
- 2.4 The first (morning) registration session starts at 8.45am. Children will receive a late mark if they are not in their designated classroom by 9.00am. The register closes at 9.15am. Children will receive a mark of absence if they do not attend before this time. Attendance after the register closes will receive a mark to show that the child is on site, (U) but will count as an absent mark.
- 2.5 Children arriving late should report to the main school office where their attendance will be recorded by a member of the administration team.
- 2.6 The second (afternoon) registration session start at 1.00pm.
- 2.7 If a child needs to leave school during the day, they must be signed out at the main reception with a parent once authorisation has been given by a member of the administration or teaching team.
- 2.8 Children educated off-site are monitored daily for their attendance at the off-site/alternative provision. Staff work closely with the staff at the off-site provision, the child, and their parents to support the child to maintain good attendance.

3. Recording Attendance

- 3.1 The national absence and attendance codes enable schools to record and monitor attendance and absence in a consistent way, which complies with the regulations. They are also used for collecting statistics through the Census. The data helps schools, local authorities, and the Government to gain a greater understanding of the level of, and the reasons for absence. See Appendix 4 for the DfE attendance codes.
- 3.2 There should be no pre-population of codes and individual school tracking systems which monitor the whereabouts of children educated off-site, must be robust and quality assured regularly.
- 3.3 Where children are dual registered, are on voluntary service or are taking part in other approved educational activities, the register will be updated following regular discussion and information sharing with the other establishment.
- 3.4 The administrators will check the missing register report throughout the day and report any registers that have not been completed.

4. Reporting Absence

- 4.1 It is the responsibility of the parent to inform us of a child absence and to inform us of any changes to contact details.
- 4.2 Parents are expected to inform us of their child's absence before 8.45 a.m. on each day of absence providing the reason for absence and when their child will be returning to school. We will contact parents and/or other listed emergency contacts where no contact has been made. Where required, we may conduct reasonable enquiries with friends or neighbours and will carry out welfare home visits as necessary. If no contact is made, we may request a welfare check from the police.

5. Reasons for Absence

5.1 Appointments

- 5.1.1 As far as possible, medical, and dental appointments should be made outside of the school day. Where this is not possible, a note and appointment card should be sent to us prior to the appointment.
- 5.1.2 Children must attend before and after the appointment wherever possible. If the appointment requires the child to leave during the day, they must be signed out by an adult listed on the child's record. Should a child arrive late following an appointment, they should report to the school office to be signed in by a member of the administration team.
- 5.1.3 Absences for medical appointments will be recorded with an M code.

5.2 Religious Observance

- 5.2.1 Parents must inform us, in advance, if absences are required for days of religious observance. We will authorise absences where a reasonable request is made. The day must be exclusively set apart for religious observance by the religious body to which the parents belong. Where necessary, we will seek advice from the parents' religious body about whether it has set the day apart for religious observance.
- 5.2.2 Absences for religious observance will be recorded with the R code.

5.3 Illness

- 5.3.1 In order to make informed decisions about their child's fitness for attending parents are encouraged to refer to the NHS guidance 'Is My Child Too Ill for School?'. Any authorisation of absence through illness is done so at the discretion of the Headteacher or member of staff delegated to carry out this task.
- 5.3.2 In the case of an illness which lasts for five days or more (or four days in the event of an INSET day or Bank Holiday), parents may be asked to provide additional medical evidence before authorising the absence, however this will only be requested if there is any genuine and reasonable doubt about the authenticity of the illness. In this instance, if medical evidence is not provided, the absence may be recorded as unauthorised.
- 5.3.3 Where attendance is of a serious concern, we may require medical evidence to authorise any further periods of absence through illness. This will be determined on an individual basis. Parents will be notified of this by letter. Telephone calls and handwritten notes from a parent will not be accepted as medical evidence when attendance is a serious concern. For the purpose of this policy, 'serious concern' may be defined as: repeated unexplained/unauthorised absences or 3 x separate illnesses within a half term where no medical condition or underlying health issues have been identified.
- 5.3.4 Acceptable forms of medical evidence include:
 - Medical card with one appointment entered with the child's name and surgery stamp included, signed by the receptionist
 - Letter from a professional such as a hospital consultant
 - Evidence of consultation with NHS 111

- Medication prescribed by a GP
- Copy of prescription
- Print screen of medical notes / call log
- Letters detailing hospital appointments Doctor or GP 'sick notes' are not required, and we do not expect parents to request these from their GPs.

5.3.5 In some cases, a child may be absent for long term due to an illness or injury. We will liaise with families to ensure children return to school quickly and that there are no safeguarding concerns. On occasions where this is not possible, and the section 19 threshold is met, we will make a referral to the Local Authority Medical Panel which provides educational opportunities for children who are unable to attend their regular school.

5.4 Traveller Pupils Travelling for Occupational Purposes

5.4.1 Traveller children travelling for occupational purposes covers Roma, English and Welsh Travellers, Irish and Scottish Travellers, Circus workers, Bargees (occupational boat dwellers), Showman and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with us, but it is not known whether the child is attending educational provision.

The aim for the attendance of Traveller students, in common with all other students, is to attend school as regularly and as frequently as possible.

To protect Traveller parents from unreasonable prosecution for non-attendance, the Education Act (1944), Section 86, states that a Traveller parent/carers is safe from prosecution if their child accrues 200 attendances (i.e., 200 half days) in a year. It is important to note that this is only relevant when the family are engaged in a trade or business that requires them to travel and when the child is regularly attending school when that trade/business permits following a request from parents (and the minimum 200 session criteria is met).

It does not mean that part-time education for Traveller children is legally acceptable, nor does it relieve parents/carers of their duties to ensure that their child is receiving a suitable education when not at school.

It is parent's responsibility to:

- Ensure that their child's ethnicity has been registered with the school
- Ensure 2 weeks' notice is given prior to travelling
- Ensure children attend as much school as possible
- Ensure their child is accessing at least 100 days (200 sessions) of school in any 12-month period
- Have regular contact with their child's school whilst travelling. Once a week is suggested
- To support their child to complete the work set by school whilst travelling
- If staying in a new area for a week or more, the parent/guardian can register their child for a temporary place at any school – called 'dual registration'.

It is the federation's responsibility to:

- Allow Traveller children to travel with their parents for work purposes
- Create work packs for their children to complete when away

- Arrange times for at least a weekly 'check in' with the family. This can be through a call or email
- Contact the Local Authority if they have concerns
- Mark children's work and provide valuable feedback
- Ensure missed opportunities such as parents evening, vaccinations and careers advice are supported on the child's return.

5.4.2 Pupils with medical conditions or special educational needs and disabilities

Some children face greater barriers to attendance than their peers. These can include children who suffer from long term medical conditions or who have special educational needs and disabilities. Their right to an education is the same as any other child and therefore the attendance ambition for these children should be the same as they are for any other child.

School will:

- Work with parents to improve attendance, be mindful of the barriers children face, make reasonable adjustments, and put additional support in place where necessary to help them access their full-time education. It is also expected that parents will engage with the support offered both internally and with external partners to ensure our children have all the support they need to thrive.
- Encourage positive conversations so that a good support plan can put in place including making reasonable adjustments.
- Consider possible explanations for absence including Emotionally Based School Avoidance (EBSA). **See page 24 for further information.**
- Work with parents to consider whether additional support from external partners (including the local authority or health services) would be appropriate, making referrals in a timely manner and working together with those services to deliver any subsequent support.
- Ensure relevant referrals are made for children who are too ill to attend school, which may include medical panel (under section 19) and or medical agency support such as CAMHS.
- Establish strategies for removing the in-school barriers this may include considering support or reasonable adjustments for uniform, transport, routines, access to support in school and lunchtime arrangements.
- Ensure joined up pastoral care is in place and consider whether a time-limited, closely monitored and reviewed, phased return to school would be appropriate, for example for those affected by anxiety about school attendance.

6 Requesting Leave in Term Time

- 6.1 Absence for purposes of leave during term time can only be authorised by the Headteacher, within the boundaries set by the Education (Pupil Registrations) (England) Regulations (2006). "Head Teachers may not authorise leave during term time except where the circumstances are exceptional." Under the Regulations, retrospective authorisation for leave in exceptional circumstances is not permitted.
- 6.2 The fundamental principles for defining 'exceptional circumstances' are that they are: 'rare; significant; unavoidable and short'. Holidays during term time will not usually be considered as exceptional circumstances. The following guiding principles apply:
 - Term-times are for education. This is the priority. Children and families have 175 days off a year including weekends and school holidays. We will rightly prioritise attendance.

- The decision to authorise a child's absence is wholly at the Headteacher's discretion based on their assessment and merits of each individual request.
- If an event cannot be reasonably scheduled outside of term-time, then it would be normal to authorise absence for such an event – holidays are therefore not considered 'exceptional circumstances'. It is acceptable for the Headteacher to take a child's record of attendance into account when making absence-related decisions.
- We will take the needs of the families of service personnel into account if this prevents them from being able to take family holidays during scheduled holiday time.
- We have a duty to make reasonable adjustments for children with special needs and/or disabilities.

7.3 Family emergencies need careful consideration before decisions about attendance are made. It is not always appropriate or in the best interests of the child to miss education for emergencies which are being dealt with by adult family members. Being at school with support from staff and peers can provide children with stability. The school routine can offer a safe and familiar background during times of uncertainty. Relevant members of staff will work with parents to decide what is in the best interest of the child.

7.4 Exceptional circumstances will not be considered for any child whose attendance is below 97% (data from the previous academic year will be used for requests made during the first half of the Autumn term). Requests will not be authorised during the first week of any new term or during the week before, or of, Y1 Phonics Screen, Y4 Multiplication Tests, Y6 SATS children. Exceptional circumstances may include:

- Wedding or funeral of immediate family member
- One off sporting or performing arts competitions, examinations or performances if the child is participating
- Graduation ceremony/passing out parade for an immediate family member
- Urgent medical appointments (non-urgent medical appointments such as routine dental checks should be made for outside of school hours)
- Proven parental employment restrictions that do not enable the family to take holiday during the normal school holiday period.

7 Persistent and Severe Absence

7.1 Pupils with 90% or less attendance are classified as Persistent Absence (PA). PA includes both authorised and unauthorised absences.

7.2 Pupils with 50% or less attendance are classified as Severe Absence (SA). SA includes both authorised and unauthorised absences

7.3 All PA pupils will have bespoke action plans to try to improve their attendance to above 97%. This will be monitored by the Headteacher/Attendance Champion. Children who are PA will be considered as a potential concern on a fortnightly basis. Where children have an identified special educational need, the federation SENCO will also provide support, so that the impact of needs are clearly understood and appropriate, supportive actions are taken.

7.4 The federation's strategy for tackling persistent absence can be found in Appendix 7.

8 Following Up Absence and Taking Statutory Action

- 8.1 We will follow up any absences to ascertain the reason. Any child who fail to attend regularly or who are absent for more than one week will be referred to the Headteacher.
- 8.2 Unexplained absences will be followed up on the morning of the first day of unexplained absence and the school will identify whether the absence is approved or not. The school will identify the correct code to use and will input it as soon as the reason for absence is ascertained. This will take no longer than 5 working days after the session.
- 8.3 In the case where the reason for absence cannot be ascertained by the school and no reason has been issued for the child's absence, the federation will initiate safeguarding procedures and the DSL will decide on the best course of action to ensure the safety of the child, following procedures for children missing in education as outlined in the document from the Department of Education.
- 8.4 Where it is appropriate, a senior member of staff may carry out a 'Return to School Interview' to discuss the absence and to offer any support.
- 8.5 It may occasionally be necessary to inform parents that no further absences will be authorised for a particular child unless medical evidence is provided. This decision can only be made by the Headteacher in consultation with the Head of Teaching & Learning and where relevant, the SENDCo.
- 8.6 It is a parent's legal responsibility to ensure their children receive appropriate education. Failing to send children to school regularly without good reason is a criminal offence. Schools can fine parents for the unauthorised absence of their child, where the child is of compulsory school age. The decision on whether or not to issue a penalty notice ultimately rests with the Headteacher, in line with the local authority's code of conduct for issuing penalty notices. This may consider:
- A number of unauthorised absences occurring within a rolling academic year
 - Singular incidences of irregular attendance, such as holidays taken in term time without permission
 - Where an excluded child is seen in a public place during school hours without a justifiable reason
- 8.7 Issuing Penalty Notices: each parent receives a penalty notice for each child who has unauthorised absence. If issued with a penalty notice, parents must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority. If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.
- 8.8 Taking Parents to Court for unauthorised absence: The Education Act (1996) Section 444 (1) states that courts can fine each parent up to £1000 per pupil, order payment of prosecution costs and/or impose a Parenting Order.
- 8.9 Taking Parents to Court for Persistent Unauthorised Absence: The Education Act (1996) – Section 444 (1A) states that courts can fine each parent up to £2500 per pupil, order payment of the prosecution costs, impose a Parenting Order and/or sentence parents to a period of imprisonment of up to three months.

9 Children Missing from Education (CME)

- 9.1 We have due regard to our statutory duty to safeguard children who are CME. We follow the Local Authority's processes for reporting children missing from education. [The DfE guide can be found here.](#)
- 9.2 If a child fails to return following a period of absence, investigations will be made by staff to their whereabouts. If our investigations fail to contact the parents/child the case will be referred to the Local Authority Children Missing Education (CME) Team within 20 days.

10 Attendance Causing Concern

- 10.1 Specific measures to monitor attendance are embedded and regularly checked to ensure the safeguarding of all children through specific and tailored interventions.
- 10.2 The West Exmoor Federation records and collects attendance data using our Data Management System. We recognise that there are particular groups who nationally, and within our local setting, are more vulnerable and susceptible to lower attendance patterns such as children who are defined as Pupil Premium, and children with Special Educational Needs or Disabilities. We work with families to overcome any specific barriers that children may be facing regardless of these needs to ensure that children access all their education.
- 10.3 Staff make daily use of class dojo, newsletters etc, to report to parents on trends and patterns in attendance.
- 10.4 Where attendance is deemed to be a concern, we talk to children and parents. From this, there may be one of three Early Help outcomes:
- Initiate simple reasonable adjustments
 - Develop a school focused plan with the child and their parent as appropriate
 - Initiate a multi-agency Early Help Assessment (EHA)
- 10.5 If the conversation with the child indicates a serious safeguarding concern, we will follow our safeguarding procedures as set out in our Safeguarding and Child Protection Policy.

11 Supporting the Attendance of Every Child

- 11.1 We use a variety of strategies to encourage attendance:
- Building strong and enduring relationships with our children so they feel a sense of belonging in our school community
 - Verbal encouragement and praise
 - Creating personalised and achievable targets for children, based on their medical needs and/or additional needs that are realistic and appropriate for each individual
 - Creating safe spaces for children to thrive
 - Making decisions on targets in consultation with families, while understanding that a medical condition can worsen suddenly and taking this into account
 - Creating opportunities for dialogue with families about attendance, ensuring that we work in partnership with parents

- Using different methods to encourage attendance; for instance, explaining the links between attendance and outcomes
 - Raising the profile of attendance with families, particularly when children start at the setting
 - Teaching and modelling a love of learning, helping families to see the value of the education that is offered to them
 - Looking at the effect on attendance of decisions made at school level, for instance ending terms on a Monday or Tuesday
 - Being aware of the complexity of different contexts and the pressures that families might experience, which may in turn contribute to poor attendance; for instance, in areas where many parents perform seasonal work and are unable to take holidays over the summer break.
- 11.2 We recognise that not all children, particularly those who are most vulnerable, are able to achieve 100% attendance through no fault of their own. We celebrate improvements in attendance and contextualised good attendance for individual children.
- 11.3 Each child is supported and encouraged to achieve their individual highest possible attendance. Children will be provided with SMART (Specific, Measurable, Achievable, Realistic, Time bound) individual targets for their attendance which should be reviewed regularly and include parental consultation where appropriate. Attendance effort awards will be awarded on a termly basis for children who have made a clear effort to improve or maintain their attendance and/or punctuality.

12 Ethnic Minority Pupils

- 12.1 Pupil registration regulations states that absence should only be granted due to the exceptional circumstances relating to that application. It is important to note that Headteachers can determine the length of the authorised absence, as well as whether absence is authorised at all.
- 12.2 The following might be considered as exceptional circumstance for ethnic minority pupils:
- Religious festivals: the federation should authorise any absence where the parent/carer's religious organisation sets the day as a religious festival. For example: There are two key festivals in Islam, Eid-ul-Fitr (celebration that takes place at the end of Ramadan, the period of fasting) and Eid-ul-Adha (festival of sacrifice). The dates of these key events are set according to the Islamic calendar. Muslim families usually need to take one or two days to celebrate these important festivals. Absences may be recorded as R.
 - Religious rites e.g. Bar Mitzvah, Holy Communion. The Headteacher will consider each request for leave of absence individually to determine the number of days approved.
 - Close family wedding if dates cannot be during school holidays.
 - Illness or death of an immediate family member; the head teacher should consider time needed for the length of journey when child needs to travel abroad.
 - Child, parent/carer requires medical treatment overseas or elsewhere in the UK due to language barrier or requiring specialist treatment elsewhere.
 - Length of journey from abroad; the Headteacher will consider length of journey or limited regional flights.
 - Cultural celebrations such as Chinese New Year or Diwali. Cultural celebrations give children a feeling of belonging and make them feel part of their culture. This sense of identity is like a natural buoy for a child's emotional health.

- Children attending their annual exam in their home country. There are exams which are compulsory in some EU countries. They are normally during holidays but can occasionally be requested during term time.
- Child, parent/ carer's visa have been revoked and they need to return to their birth country whilst pursuing the renewal of a visa.

Appendix 2 – Framework of Responsibilities

The foundation for good attendance is a strong partnership between the school, parents and the child, therefore, the West Exmoor Federation expects everyone to uphold their responsibilities for promoting attendance at school.

To do this everyone must understand their role in promoting a positive culture of attendance and be clear about what is required of them individually as well as how they need to work together in partnership with others.

Parents

- Ensure children attend regularly and punctually
- Promote the value of good education and the importance of regular school attendance at home
- Do everything you can to prevent unnecessary school absences, such as by making medical and dental appointments outside of school hours
- Work with the federation and your child to address any in-school barriers to attendance and support their learning by taking an interest in what they have been doing at school
- Enforce a regular routine at home in terms of homework, bedtime, etc. so that your child is used to consistency and the school day becomes part of that routine. It is vital that your child receives the same message at home as they do at school about the importance of attendance
- Provide the school with more than one emergency contact for your child
- Provide proof of medical appointments that can only be attended during the school day
- Make early contact with us when you become aware of problems with your child attending school
- Attend meetings if concerns are identified
- Participate in Early Help Meetings if required
- Support attendance plans where appropriate
- Support us in actioning agreed interventions/action plans.

Please follow this process if your child is going to be absent from school:

Children

- Attend school every day and every timetabled lesson punctually
- Acknowledge positive behaviours needed both inside and outside of our school
- Adhere to our systems for late registration
- Adhere to attendance contracts if they are in place
- Aim for the highest possible attendance
- Discuss concerns about your attendance or punctuality with a trusted adult in our school, especially if you are experiencing difficulties at school or at home which may impact on your attendance and/or learning
- Attend all lessons ready to learn with the appropriate learning tools requested and on time for your class. Lesson times will be made clear through your school timetable.

Support Staff

- Understand that promoting attendance is the responsibility of all staff. Be curious, aware, vigilant, well-informed and listen to what children say about the barriers to accessing education
- Assist in ensuring attendance has a high profile within the federation
- Build on a culture of challenge when addressing persistent illness absences with parents/carers
- Challenge parents/carers when no reason has been provided for an absence
- Escalate concerns where required as per the Safeguarding Policy
- Participate in training in relation to attendance.

Teachers

- Understand that promoting attendance is the responsibility of all staff. Be curious, aware, vigilant, well-informed and listen to what children say about the barriers to accessing education
- Ensure attendance has a high profile within the class
- Consider whether a child's known, or not yet identified, SEN could be impacting on attendance and whether provision and/or further reasonable adjustments should be made
- Take registers at the beginning of every lesson including when the lesson is also the legal registration session
- Build a culture of challenge when addressing absences with parents/carers. Treat all children and parents/carers with dignity and model respectful relationships to build a positive relationship between home and school
- Challenge parents/carers when they do not provide a reason for absence
- Communicate with parents/carers positively. Teachers should discuss the link between attendance and attainment and wider wellbeing. Teachers should challenge parents'/carers' views where they have misconceptions about what 'good' attendance looks like (this is outlined in more detail in figure 1 below)
- Escalate concerns as per the Safeguarding Policy
- Discuss attendance with parents/carers at every opportunity (celebrate good attendance as well as concerning attendance).
- Participate in training relating to attendance as appropriate.

Where a child or family need support with attendance, the best placed person in the federation will support the family, this may or may not be the child's class teacher. This person should remain consistent, and the federation will draw on positive relationships to listen to and understand the barriers to attendance the child or family is experiencing.

School Administrators

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Offer support and guidance on attendance where needed
- Escalate concerns where required as per the Safeguarding Policy

Senior Leadership Team

- Take a lead in promoting children's attendance ensuring it is the responsibility of all staff. Be curious, aware, vigilant, well-informed and listen to what children say about the barriers to accessing education
- Ensure attendance has a high profile across the federation
- Work on proactively on building strong relationships with families
- Build on a culture of challenge when addressing persistent illness absences with parents/carers
- Attend welfare home visits where required
- Escalate concerns where required as per the Safeguarding Policy
- Liaise with Headteacher as appropriate to discuss attendance concerns for individual children
- Participate in appropriate training in relation to attendance
- Take overall responsibility for ensuring our federation conforms to all statutory requirements in respect of attendance e.g., deletion from school roll is adhered to for example.

Headteacher/School Attendance Champion

- Take a lead in promoting attendance ensuring it is the responsibility of all staff. Be aware, vigilant, well-informed and listen to what children say about the barriers to accessing education
- Ensure the attendance policy is implemented consistently across the federation
- Ensure attendance has a high profile across the federation in all communications
- Develop a clear strategy and vision for improving attendance
- Decide whether to grant leave during term time for exceptional circumstances
- Ensure attendance training is including provided to staff annually
- Work with the SENCO, where relevant, to ensure any SEND needs are fully understood, including how these may impact on attendance, and to ensure that the provision in place meets needs and supports good attendance
- Monitor daily attendance for vulnerable pupils and track weekly attendance patterns and trends for all children, delivering intervention and support in a targeted way to pupils and families. This needs to include patterns of attendance for individual pupils, cohorts, and groups but particularly for pupils with attendance below 90%
- Report attendance data to the Governing Board
- Support all staff to monitor attendance patterns and tackle attendance concerns effectively by providing regular attendance reports to class teachers so they are able to facilitate discussions with children
- Conduct thorough analysis of half-termly, termly, and full year data to identify patterns and trends including analysis of children and cohorts and identifying patterns in uses of certain codes and days of poor attendance.
- Monitor in the data the impact of federation wide attendance efforts, including any specific strategies implemented ensuring there is regular and positive communication with parents
- Conduct return to school interviews where deemed necessary

- Provide rewards for improving attendance, punctuality and overall high attendance while not penalising children with complex medical or additional needs which impacts on their ability to attend school regularly
- Set annual school attendance targets
- Work proactively on building strong relationships with families
- Follow the LA Fast-Track procedure and support staff to offer Early Help where necessary and work with Education Welfare Officers to tackle persistent absence
- Work with the LA, agencies, and safeguarding partners to overcome barriers to attendance
- When necessary, issue fixed-penalty notices
- Attend welfare home visits where required
- Escalate concerns when deemed appropriate as per the Safeguarding Policy
- Lead attendance training for staff and governors
- Communicate attendance concerns to the child's social worker, if they have one or The Virtual School Head, if the child is a looked after child. This will be done as soon as there is an attendance concern and immediately upon becoming a persistent absentee. Unexplained absences will also be communicated to the social worker and Virtual School Head, if the child has one.

Governing Board

- Recognise the importance of school attendance and promote it across the federation's ethos, policies and procedures
- Review the implementation of the School Attendance Policy
- Ensure the federation fulfils their statutory duties
- Ensure staff receive adequate training on attendance
- Discuss the targets for attendance with the Headteacher and review progress towards these at Board meetings
- Regularly monitor attendance figures through data analysis at Board meetings. Ask questions about attendance trends and be curious about what is being done to challenge and prevent persistent poor absence

Figure 1:

There are 190 school days each year, this means that there are 175 non-school days a year.

Attendance %	Rating	Days absent	Description
100%	Perfect Attendance	0	This is the best chance of success for your child
97%	Good Attendance	5	
96%	Improvement Required	9	Less chance of your child succeeding as it is harder for them to make progress
92%	Concern (Persistent Absence*)	19	
90%	Serious Concern **	30	Serious Concern Missing this much education is not fair on your child and will result in legal action

*Persistent Absence is defined as: 10% or more of sessions missed (based on each pupil's possible sessions). Absences may be authorised or unauthorised.

** Severe Absence is defined as: 50% or more of sessions missed (based on each pupil's possible sessions). Absences may be authorised or unauthorised.

Appendix 4 – Attendance Codes

The following codes are taken from the DfE's guidance on school attendance

Code	Definition	Scenario
/	Present (am)	Pupil is present at morning registration
\	Present (pm)	Pupil is present at afternoon registration
L	Late Arrival	Pupil arrives late before register has closed
B	Off-site educational activity	Pupil is at a supervised off-site educational activity approved by the school
D	Dual registered	Pupil is attending a session at another setting where they are also registered
J	Interview	Pupil has an interview with a prospective employer/educational establishment
P	Sporting activity	Pupil is participating in a supervised sporting activity approved by the school
V	Educational trip or visit	Pupil is on an educational visit/trip organised, or approved, by the school
W	Work experience	Pupil is on a work experience placement

Code	Definition	Scenario
Authorised absence		
C	Authorised leave of absence	Pupil has been granted a leave of absence due to exceptional circumstances
E	Excluded	Pupil has been excluded but no alternative provision has been made
H	Authorised holiday	Pupil has been allowed to go on holiday due to exceptional circumstance
I	Illness	School has been notified that a pupil will be absent due to illness
M	Medical/dental appointment	Pupil is at a medical or dental appointment
R	Religious observance	Pupil is taking part in a day of religious observance
S	Study Leave	Year 11 pupil is on study leave during their public examinations
T	Gypsy, Roma, and Traveller absence	Pupil from a Traveller community is travelling, as agreed with the school

Unauthorised Absence		
G	Unauthorised Holiday	Pupil is on a holiday that was not approved by the school
N	Reason not provided	Pupil is absent for an unknown reason (this code should be amended when the reason emerges, or replaced with code O if no reason for absence has been provided after a reasonable amount of time)
O	Unauthorised absence	School is not satisfied with reason for pupil's absence
U	Arrival after registration	Pupil arrived at school after the register closed
Other		
X	Not required to be in school	Pupil of non-compulsory school age is not required to attend
Y	Unable to attend due to exceptional circumstances	School site is closed, there is disruption to travel because of a local/national emergency, or pupil is in custody
Z	Pupil not on admission register	Register set up but pupil has not yet joined the school
#	Planned school closure	Whole or partial school closure due to half term/bank holiday

Appendix 5 – Creating a Positive Attendance Culture

The foundation for good attendance is a strong partnership between the school, parents and the child, therefore, the West Exmoor Federation expects everyone to uphold their responsibilities for promoting attendance at school.

To do this everyone must understand their role in promoting a positive culture of attendance and be clear about what is required of them individually as well as how they need to work together in partnership with others.

Our federation aims to meet its obligations with regards to school attendance by:

- Promoting good attendance and reducing absence, including persistent absence
- Ensuring every child has access to the full-time education to which they are entitled
- Acting early to address patterns of absence

For a positive attendance culture to be fully embedded across our federation, it needs to be a holistic approach and not seen in isolation. We aim to achieve this by:

- Placing a strong emphasis on wanting children to come to school and value education
- Improving the school experience for children and parents
- Offering an enriching curriculum instilling a sense of pride and responsibilities, to ensure that children enjoy attending school
- Ensuring that our vision and values and emphasis upon relational learning supports our families and enables us to understand the underlying causes of absences. For some children, poor attendance could be indicative of additional needs including anxiety typically referred to as emotionally based school avoidance (EBSA). [Anxiety based school avoidance \(ABSA\) – Education and Families \(devon.gov.uk\)](#)
- Educating the wider community about attendance and reaching out to a wider range of agencies to ensure there is the right support for children and families at the point of need
- Ensuring office staff are well trained and they are given the skills to confidently challenge parents when doing check-up calls
- Setting a high profile with staff working on attendance, including being professionally curious
- Using focussed 'TAF' meetings including partner agencies GP, Social Care etc for discussions about improving attendance
- Working with the LA proactively not just for legal intervention. Penalty Notice's should be the last resort but used as appropriate

Ideas for improving attendance within the school:

- A federation culture which promotes positive relationships between staff and children can be a protective factor for good attendance. Please refer to Devon's Relational Policy and Practice Guidance for further details [Quick guide to developing relational practice and policy - Support for schools and settings \(devon.gov.uk\)](#)
- You could also refer to Tom Bennet's 'Getting Behaviour Right from the Start Guidance [Department for Education \(publishing.service.gov.uk\)](#) – consider '**routines, responses and relationships**'

- Establish a breakfast club for targeted children and families so they can come into school early. A conversational start to the day with breakfast included can be beneficial
- All parents/carers receive regular attendance communication and 'timely nudges' e.g., via letters, phone calls, eg, attendance above 97%, attendance below 92%. Communication should include positive attendance as well as attendance causing concern
- Ensure there is graduated follow-up for poor attendance through a personalised attendance plan
- Ensure that meetings with parents/carers regarding attendance are supportive and identify barriers, both in school and out of school
- Send letters home to praise strong attendance
- Send whole school / year group attendance data to all staff on a half termly basis
- Utilise support available from external partners e.g., Early Help, School Attendance Team, SEMH, C&I, medical, inclusion, young carers network, social care.
- Use the Fast Track process and Fixed Penalty Notice's as a last resort once families have been afforded plenty of opportunities to improve
- Ensure there is a regular review of meetings and outcomes and ensure they are all logged on your school information system

Summary

- Focus on 'routines, responses, and relationships' (as outlined above)
- Exploit the opportunities to work together
- Use data to underpin all attendance strategies
- Access the federation's wider support network
- Ensure the federation is working in partnership – especially where there are barriers out of schools control – treat parents, carers and families as partners
- Senior leaders need to lead the culture of attendance being everyone's responsibility
- All staff need to take responsibility; attendance needs to be a common thread running through the federation
- The federation needs to initiate support and maintain a relentless focus on parental/carer engagement
- Think SMART in meetings to ensure targets are specific, measurable, achievable, recorded and timed
- Be creative

Appendix 6 – Removing a child from the school roll (it is vital that you are always professionally curious when following these processes)

Best practice processes

Elective Home Education (EHE):

The Statutory Notification and the EHE form, together with the Safeguarding form must be submitted on the day of receiving the de-registration letter from the parent/carer with a copy of the letter. The child should be taken off roll from the day the school receives the letter or in cases where the parent/carer is giving advance notice of the date requested. Do not backdate it to an earlier date than receipt of the letter even if the parent/carer requests this. The federation should confirm that the child has been registered with the LA as EHE to ensure that they have assumed responsibility for the child. Do not just assume that because the federation has submitted the paperwork it has all gone through.

Child Moves Out of Area: unreasonable distance to travel. Submit the Statutory Notification as soon as the school finds this out. Continue to track destination and liaise with LA admissions team. They will advise the school when a child may be removed from roll if it has been established that the child/family have left the last known address and their new location is known. They may allow the school to backdate the leaving date if they or the school receives confirmation of the child starting at another school or within the care of a different LA. The school must have written confirmation from the LA to backdate the leaving date. If the school does not receive this and the school has no other confirmation of where the child is the school must keep them on roll for 20 days.

Child Emigrates: The school must follow the procedure above for moving out of area but also need to have ascertained from the parent/carer the forwarding address, details of destination school and moving date.

Child Transfers to a New School: Confirm the child's start date at the new school and that the child has started there. Submit the Statutory Notification on the day the school has it confirmed that the child started at their new school. The school can take the child off roll from the confirmed start date or the last school day if it precedes it e.g., a Friday and they started on a Monday. If the start date is the first day of a school term the school can back date the leaving date for the child to the last day of the previous term. If the school must investigate in the new term to find out why the child is 'absent' keep them on roll until the school gets a confirmed start date at the new school. If there is a gap between the leaving date the school has been given by a parent/carer and the start date for a child, the child should remain on the school's roll, marked absent, until the transfer school confirms the child has started there. If after ten days, the child has still not started, the school should submit a CME form. The school cannot remove a CME child from the school's roll for a further ten days from the initial notification or safeguarding referral (so 20 days in total from the first day of absence) unless the LA confirms where the child has gone.

Appendix 7 - Strategy for reducing persistent

- Attendance is high profile across the federation and is communicated regularly to children and parents/carers
- Incentives are used to actively promote high or improved attendance across the federation, eg, book tokens. Where needed, this considers children's individual needs
- Attendance of the whole federation is reviewed fortnightly by the Headteacher
- An Individual Attendance Plan is put in place for all children whose attendance falls below 90%
- An initial letter is sent to parents/carers explaining that their child's attendance is causing the school concern, and this will be closely monitored. The Headteacher will ensure that all possible support has been offered. For some children, poor attendance could be indicative of additional needs including anxiety typically referred to as emotionally based school avoidance (EBSA). [Anxiety based school avoidance \(ABSA\) – Education and Families \(devon.gov.uk\)](https://www.devon.gov.uk/education-and-families/abse). If attendance continues to decline, a 2nd letter is issued and parents/carers invited in to discuss Individual Attendance Plan
- Further decline in attendance will result in a further meeting with the Headteacher and, when possible, the LA Education Welfare Officer, to look at proactive strategies to improve attendance. Future actions are outlined to parents/carers and children should this continue to decline
- The local authority is notified of any further decline for consideration of next steps, this may involve legal action
