13th July 2026

Dear Parents/Carers

We are sure that many of you are looking forward to watching England versus Argentina in the World Cup 2026 semi-final on Wednesday evening. Yet again our national team is in a major sporting event, playing a game that so many of the children at Newburgh School love.

We anticipate that many children and families will be watching this significant game, which has the potential to finish very late on Wednesday evening. We would like to support our families to share this special event and enjoy the game come what may. Therefore we have made the decision to extend our morning registration period to 10am on Thursday 16th July only. Children are also invited to wear red, white & blue, or their England kit on Wednesday 15th July.

Breakfast Club, School and Nursery will be open as normal should children need to attend at the normal time.

Those children able to enjoy more sleep and rest may arrive at school any time up to 10am for their morning registration mark and will not be marked as late. Children in Nursery and Reception should be taken up the playground to the Nursery entrance; all other children should access school through the main entrance.

This is a key event in our nation's history and we would like to encourage you all to use this opportunity to talk to your child about our National Anthem, collaboration and teamwork, pride and resilience, being humble in victory and gracious in defeat.

Thank you for your support and co-operation.

Rebecca Fowler

Headteacher
