

Dear Parents, Carers & Children

What a fantastic week here at Newburgh:

Year 6

I have to start this Newsletter with a huge congratulations for our Year 6 children. Every single one of them achieved at least the expected academic standard in every subject in their SATs tests. This cohort had a particularly difficult start to their education as it was disrupted by lockdown. They were justifiably able to celebrate their achievements with our annual water fight. We are so proud of every one of them.

Art Exhibition

Our Art Exhibition showcased the art and design curriculum here at Newburgh with references to different artistic styles, sculpture, drawing, singing and painting. We hope you were all inspired by your child's creativity and opportunity to be part of our exhibition. Our theme was 'Our Planet, One Love'

Nursery Sing Along and Y6 Perform The Tempest

Our Nursery children gave a rendition of nursery rhymes for their family members and enjoyed a picnic with them as well. This is always a really popular event here at Newburgh and we hope you all enjoyed it. Our Year 6 children have been rehearsing hard to entertain their families tonight with a performance of 'The Tempest' by William Shakespeare. I know, this, your final performance here will be both poignant and memorable.

ParentPay

Please ensure all your accounts are up to date and cleared on ParentPay. Our breakfast and afterschool clubs are extremely full again next year, with waiting lists and places will not be held for those accounts in arrears.

Next Week & Next Year

Congratulations to the Oak Family who won the most points this term and are invited to wear non-uniform on Monday as their treat. We are sadly now getting ready to say a final farewell to our Year 6 pupils who will leave us ready for the next chapter of their lives. Their families are invited to join us for their Leavers' Assembly on Tuesday at 9am. Finally, when we return to school on 1st September the kitchen will be serving the menu normally served on Mondays that week.

Class To 2k:

With the temperature soaring we took the decision to keep our Fun Run to a 2k event and what an event it was! There were 146 participants from nursery children to adult family members. After our warm up we cheered each year group over the start line and on to the course. Our fabulous marshals armed with water guns brought heat relief and joy to the experience. Thank you to our community for supporting the children in developing their stamina and fitness, for turning up to participate, marshal or cheer everyone on and thank you for all the sponsor money raised. There is a full gallery of photographs on our app and on the [PE page](#) of our website.

We asked the children what their favourite part of the experience was:

"I loved running around" – Amy

"I liked the number – it was professional" – Sam

"I liked all of it" – Marty & Louisa

"Next time I would like it to be longer!" – Henry

"I liked lots of people cheering me on" – Scarlett H

"I liked the medals" – April & Jenson

"I liked the water guns" – Ava, Poppy, Tess, Isla, Milan, Diano

Message for Year 5 Parents:

Dear Parents/Kinship Carers of Current Year 5 pupils

Before the summer holidays begin, we wanted to get in touch with you about next term's prospective secondary school application, and how important it is to consider home to transport prior to making your final decision.

You must consider carefully how your child will get to and from your preferred secondary schools before submitting your application for a school place.

Pupils will only be eligible for free travel if they have an entitlement under the County Council's [Home to School Transport Policy](#). It is important, when selecting your preferences for a school place, that you have read and understood the information available on the [website](#) regarding [school admissions](#) and [travel assistance](#).

It is essential to remember - for transport purposes - the 'nearest suitable school' is the nearest school to the family home – and - in some cases, the nearest school will be located within another local authority area.

If you choose to send your child to a school that Lancashire County Council does not consider to be the nearest suitable school, there is no duty to provide free transport. You will need to make your own transport arrangements.

Assistance with home to school travel will not be needed for most children as they will attend their local school which will be within a reasonable walking distance when accompanied by a parent/carer as necessary.

However, if transport costs are a concern to you, please contact your Area Education Office before submitting your application:

NORTH AREA	SOUTH AREA	EAST AREA
Lancaster, Morecambe, Wyre and Fylde	Preston, South Ribble, West Lancashire and Chorley	Hyndburn, Ribble Valley, Burnley, Pendle and Rossendale
(01524) 581148	(01772) 532109	(01254) 220747

If your child is not eligible for free travel assistance but you would like your child to travel to school by bus, you may be able to buy a season travel pass from us.

The County Council will not provide extra services for non-statutory pupils and you will need to [plan how your child will get to school](#) if space on the bus is not available.

Please call 0300-123-6738 or visit [School bus season tickets - Lancashire County Council](#) to make an application.

It is important to plan ahead. Please make sure that appropriate transport is available, should a place be allocated at your preferred school.
