

Dear Parents, Carers & Children

Welcome to a warm week at Newburgh:

Water Safety Training

We welcomed TriKidz back to school on Monday to deliver essential water safety training to all children. They learned about cold water shock, getting into a star shape to float, rip tides and going sideways in them and to try and find something with air in it to hold onto.

Parbold Library Summer of Reading

Parbold Library launched their summer reading challenge that children can join up to over the summer. Our children were praised for their brilliant questions such as – “are there different colour parrots”? Find out more at Parbold Library!

School & Eco Council Celebrations

Our School and Eco Council came together to celebrate their year of hard work organising charity events, feeding the birds through the winter, litter picking and promoting walking to school. A fabulous year of campaigns, well done.

Family Forest School

Thank you to our new and old families for braving the heat for a wonderful afternoon experiencing Forest School at Newburgh School. The children were able to show their family members all the different stations and activities.

Photos and Special Lunches

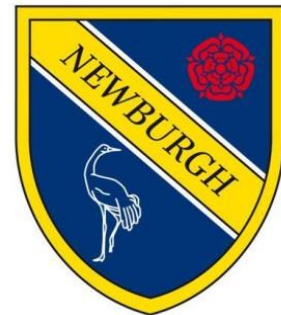

Don't forget to get your class photo orders in for Friday 10th July. We also have some special lunches coming up in July. [Please order them here.](#)

And Finally

Congratulations once again to Silver Birch for winning the Sports Day shield.

A polite reminder that ball games are not permitted on the playground before school and the trim trail should not be used either for safety. Thank you.
