

Dear Parents, Carers & Children

This Week

Our Eco Council have been hard at work building planters ready for Spring. Each School Family will be responsible for a planter which will be located near our Spiritual Garden. Donations of compost will be very welcome to help us plant them up. Team Rigby have also been investigating the most effective ways to evaporate water through material.

Looking Ahead

Team Lucas have their fabulous finish assembly for parents to watch on Tuesday 10th Feb. On Wednesday 11th Feb the children who have guitar and ukulele lessons with Front Row Music will perform for their families and the school.

Science After School Club

We've had an amazing response to the Mad Science afterschool club which is now full. They have contacted us to say that if enough families register an interest and go on the waiting list they may be able to run another club for us in the summer term. They are keeping the list open until 12.02.26.

School Dinners

We have another couple of special menus to look forward to in March. Please visit our School Meals page for more information and complete our [World Book Day Order Form](#) to select your child's meal choices. Unfortunately with costs rising Lancashire County Council have informed us that we need to put the cost of meals up to £3 per day for children in Nursery and Years 3-6. This will be from 1st April 2026.

Church Holiday Club

Our wonderful church volunteers are looking to see if there would be any interest in a holiday club for school children on Monday 1st June (our summer two week half term break). Please complete the [Holiday Club Form](#) to let them know your views.

Online Safety

Next week is Online Safety Week and children will be participating in activities about this. To support our community we have Wake Up Wednesday parent guides on '[emojis](#)' and '[online content conversation starters](#)'

Warmest Regards,

R. Fure
