Looking after and
keeping children safe
(Safeguarding) Policy

2024-25

What is this?

Safeguarding and Child Protection mean the same thing and they mean that we look after children and keep them safe.

Our school has a Safeguarding Policy for staff, families and governors. This 'child friendly' policy is designed for young people and this should be read as a guide to the main policy.

What is it for?

To help you decide what could be a 'problem' and where to get help and support.

Is someone bullying you?

You must tell someone at school, even if it is out of school, so we can help you.

Examples of people you can tell are:

- Your Teacher
- Your Headteacher
- Your Key Worker
- Your Learning Support Assistant

The four main areas of Child Protection concerns are:

1. Physical Abuse – hitting, smacking, shaking, throwing, burning, biting etc
2. Sexual Abuse – be aware this doesn't always mean actually touching a child. It could be someone making you watch things to do with sex or encouraging you to act in an inappropriate way.
3. Neglect – this means things like not providing meals or warmth or clothing. Or perhaps not taking you to the Doctors when you need to go. There may be lots of different reasons why a child is neglected and it is really important that we know so we can help.
4. Emotional Abuse – This means when someone upsets you or makes you feel bad. If someone in your family says horrible things to you and makes you feel sad and worthless.

These are just a few examples for you and if you think you may have a problem that is similar to one of these then talk to someone

How does school work to protect you?

There are lots of different ways, but one of the main ways is making sure the staff here at our school know how to keep you safe and also make sure you have someone to talk to if you need to.

Our Headteacher is here to support young people and their families if there is a Child Protection concern.

Talk to someone

What are the next steps?

Sometimes a member of staff at our school will need to check things with our Headteacher and then if they can deal with the issue themselves, they will.

There are times though when they may need to contact some other agencies for support. These may be Children's Social Care (Social Workers) or Police.

There are lots of other agencies who support children and their families as well.

Our Headteacher will talk to you and explain all of this and you can always go and ask them questions if you are unsure about anything.
