

Autumn 2025 Newsletter

Welcome to the Autumn Term

It's always a pleasure to welcome back our exiting families to the school.

We would like to welcome all the new children and families that have joined both our 2-3 and F1 rooms.

This is always an exciting and busy time in the school, with lots of exciting events and learning experiences planned. As the weather begins to turn autumnal, please make sure your child is wearing a full shoe and has a coat, ready to explore and learn in our Nursery Garden.

It has been lovely to see the photos that families have shared with their child's key person, by their email address, celebrating their achievements at home or the adventures they have experienced. Please continue doing this as we really enjoy joining you in sharing these proud moments and talking to the children about what they have been up to!

Please make sure you keep an eye on our Facebook page and posters within the school reminding you about the events and celebrations we have planned, I hope to see you all at the upcoming stay and play events.

Medical tracker:

We have begun using a new online system to record accidents, medication and intimate care regarding your child. This will now be communicated with you through the email address you have provided us with. If this needs updating please see a member of the admin team to ensure you are kept up to date with all relevant communication. In an emergency we will always continue to contact you by phone, if required.

Christmas Holidays

Autumn 2025 Newsletter

Sickness

Your child may have snuffles and sneezes, but if they are well enough they can still come into school.

If your child has suffered from sickness and/or diarrhoea they can only return 48 hours after the last bout, and only if they are well enough to do so.

If your child needs over the counter medication e.g Calpol, they are not well enough to attend and need to recuperate in the comfort of their own home.

If you child has been prescribed antibiotics, they need to remain at home for the first 24 hours of starting them. This is to ensure they do not have an adverse reaction to the medication and to also give the medication chance to get into their system and start to work.

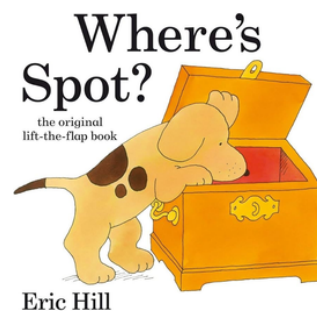

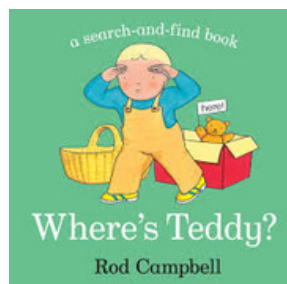

Please be aware if your child is absent from Nursery for longer than 5 days, and we are unaware of the reason we will carry out a home visit. This is to see if we can give additional support a return to school.

Please let us know when your child is unwell by calling us on 01709 430420.

2-3's Room Key Texts

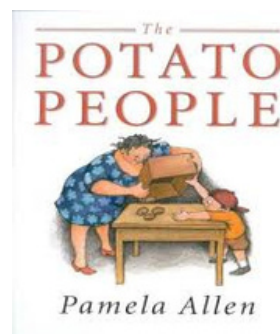

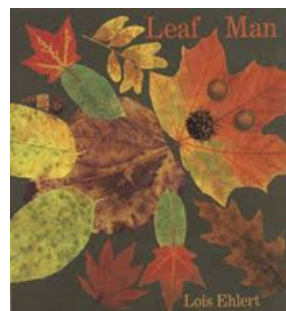

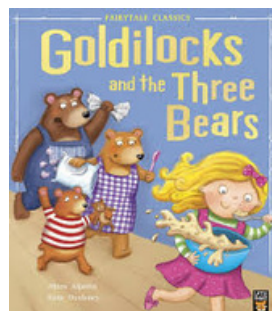

In the 2-3's room this term, our key texts will be "Where's Teddy" and then "Where's Spot".

F1 Nursery Key Texts

In F1 this term, our key texts will be "Goldilocks & 3 Bears" and "Leaf Man".

Arnold also look at "Potato People"

Autumn 2025

Newsletter

Screen Free

A gentle reminder to please not use phones/tablets whilst inside the building.

Holidays

Reminder that places can not be held for extended periods of absence. If you have a holiday planned that is for more than 2 weeks, please speak to a member of the admin team when you complete your holiday form.

No Jewellery

Please do not send your child to nursery wearing jewellery. This is for health and safety reasons to keep your child and those around them safe.

If your child comes to nursery in jewellery, room staff will remove it and hand it back to you in an envelope on collection. We are not responsible for any loss of items.

Gate Safety

This is another reminder to please close the gates when you are dropping off and collecting children.

This is for the safety of your child and those around you.

Parking

We would just like to remind everyone dropping off and collecting children to park sensibly on the road and to not park on the marked areas.

The residents around us need to access their driveways, and the gates leading into nursery need to be clear at all times to allow for emergency vehicles.
