

Autumn Newsletter

Welcome to all students!

It has been a pleasure to welcome back existing families to the Nursery and get to know those that have joined us in September.

The children have settled really well and have been busy exploring the environments, especially the nursery garden.

We have implemented a screen free policy within the Nursery from September. We are asking that parents and children do not use phones and tablets whilst they are within the setting, including waiting to enter the rooms.

Thank you for your understanding.

Lynsey Hadfield
Executive Headteacher

Sickness

We often call this term the “poorly term”.

Your child may have snuffles and sneezes, but if they are well enough they can still come into school.

If your child has suffered from sickness and/or diarrhea they can only return 48 hours after the last bout, and only if they are well enough to do so.

If your child needs over the counter medication e.g Calpol, they are not well enough to attend and need to recuperate in the comfort of their home.

If your child has been prescribed antibiotics, they need to remain at home for the first 24 hours of starting the medication. This is to ensure they do not have an adverse reaction to the medication and to also give the medication chance to get into their system and start to work.

Please let us know when your child is unwell by calling us on 01709 430420 and leaving a message on the absence voicemail.

Your Opinion Matters

If you have any comments or suggestions regarding the Nursery or Children's Centre, please feel free to enter them on a card and put them in our 'Suggestions Box' which is located on the wall outside the Daycare room.

Advisory Group

ATTENTION ALL PARENTS!

Would you like to be a voice in driving the Centre forward and help us retain a quality service for your children? The Advisory Group looks at service delivery for the future, and your opinion counts.

Meetings are held 4 times a year and last for a maximum of 2 hours.

For more information please contact reception on 01709 430420.

Thank you.
