## Autism Accreditation Questionnaire – Your Feedback Matters

Dear Parent/Carer,

As part of our continued commitment to providing the highest quality support for our autistic learners, we are currently undergoing reaccreditation through the National Autistic Society (NAS) Autism Accreditation programme.

The NAS Autism Accreditation programme is a respected quality assurance framework that helps organisations like ours to review and enhance how we support autistic individuals. A key part of this process is gathering feedback from those who know our learners best – you.

We would be very grateful if you could take a few minutes to complete the following questionnaire. Your views will help us to reflect on our current practice and identify areas where we can continue to improve.

Please complete the questionnaire by **Wednesday 13<sup>th</sup> May 2026**

All responses will be treated confidentially, and your feedback will play an important role in shaping the future support we provide.

Yours sincerely
