Dear Parents and Carers,

We recently wrote to you to inform you that our school is moving towards becoming a cashless school and we are delighted to share that the first phase has been a success.

On **Monday 20th April** we are launching our **Tuck Shop Club**. Parents and carers can now sign up via the Arbor App to manage their child's participation. All children will continue to have access to a selection of free items and selected items will continue to be offered at breakfast time only.

For those who wish their child to purchase additional items, such as hash browns and bagels, payment will need to be made in advance on a half-termly basis. The cost will equate to £1 per week for the duration of the half-term.

To ensure fairness for all, pupils will be limited to a maximum of two items per day. This can be any combination of one paid item and one free item, or two free items where applicable.

If you require any assistance with setting up the app or making payments, please do not hesitate to contact the school office and we will be happy to help.

Thank you for your continued support.

Yours sincerely
