Dear Parents and Carers,

We are writing to inform you that the school is moving towards becoming a cashless school. As part of this transition, we kindly ask that all school meal payments are made by card through the Arbor app.

The Arbor app can be downloaded from the iOS App Store or the Google Play Store. Once installed, you will be able to log in and make payments directly from your phone or other device using a debit or credit card.

Full information about Arbor, including guidance on how to download the app and set up your account, can be found on our website:

<https://www.ridgewood.lancs.sch.uk/parents-carers/arbor>

If you require any assistance with setting up the app or making payments, please do not hesitate to contact the school office and we will be happy to help.

Thank you for your continued support.

Yours sincerely
