1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

Safeguarding and attendance

We recognise that 'Working together to improve school attendance' is statutory guidance. We will work closely with local authority (LA) children's services where absence indicates a safeguarding concern.

We recognise that regular school attendance is essential for pupils' educational achievement and wellbeing. Poor attendance can be an indicator of safeguarding concerns, and we will treat persistent or unexplained absence as a potential safeguarding matter.

2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on [working together to improve school attendance \(applies from 19 August 2024\)](#) and [school attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the Education Act 1996

- Part 3 of the Education Act 2002
- Part 7 of the Education and Inspections Act 2006
- [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, and 2016 amendments\)](#)
- The School Attendance (Pupil Registration) (England) Regulations 2024
- <https://www.legislation.gov.uk/ukxi/2006/1751/contents>The Education (Penalty Notices) (England) (Amendment) Regulations 2013 and the 2024 amendment
- <https://www.legislation.gov.uk/ukxi/2013/757/regulation/2/made>It also refers to:
- School census guidance
- Keeping Children Safe in Education 2025
- Mental health issues affecting a pupil's attendance: guidance for schools

3. Roles and responsibilities

All staff:

All staff should be aware that:

Our safeguarding response to children who are absent from education, particularly on repeat occasions and/or prolonged periods, is part of our whole-school safeguarding approach Keeping Children Safe in Education

Any concerns about a pupil's absence should be reported to the DSL immediately

Attendance concerns may indicate wider safeguarding issues that require investigation.

3.1 The governing board

The governing board is responsible for:

- Making sure the school has high aspirations for all pupils, but adapts processes and support to pupils' individual needs
- Regularly reviewing and challenging attendance data and helping school leaders focus improvement efforts on individual pupils or cohorts who need it most
- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge
- Monitoring attendance figures for the whole school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils' needs

- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance
- Making sure all staff receive adequate training on attendance as part of the regular continued professional development offer, so that staff understand:
 - The importance of good attendance
 - That absence is almost always a symptom of wider issues
 - The school's legal requirements for keeping registers
 - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data

- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents/carers through all available channels
- Sharing information from the school register with the local authority, including:
 - Notifying the local authority when a pupil's name is added to or deleted from the school admission register outside of standard transition times
 - Providing the local authority with the details of pupils who fail to attend school regularly, or who have been marked with an unauthorised absence for a continuous period of 10 school days
 - Providing the local authority with the details of pupils who the school believes will miss 15 days consecutively or cumulatively because of sickness

3.3 The designated senior leader responsible for attendance

The person responsible for attendance is the Head teacher- Linzi Goodman. She can be contacted on 01908 526294 or by email admin@howeparkschool.co.uk.

The attendance officer is Nicki Cooper and can be contacted via email at admin@howeparkschool.co.uk.

3.5 Class Teachers

Class teachers are responsible for recording attendance for both morning and afternoon sessions daily, using the correct codes (see Appendix 1), and submitting this information to the school office on the same day.

3.6 School admin staff

School admin staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system.

3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every on time
- Call the school to report their child's absence before 8.45am on the day of the absence (and each subsequent day of absence) and advise when they are expected to return.
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority

3.8 Pupils

Pupils are expected to:

- Attend school every day, on time

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

The school day starts at 8.40am and ends at 3.10pm.

Pupils must arrive in school by 8.40am on each school day.

The register for the first session will be taken 8.40am and will be kept open until 9.10am The register for the second session will be taken at 1pm and will be kept open until 1.15pm.

4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 8.45am or as soon as practically possible, by calling the school admin staff, who can be contacted via 01908 526294. Absence can also be reported using Reach more parents.

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 5 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment. The school should be notified in advance of the appointment by filling out the Leave of absence form which is available from the school office.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code
- Where children are frequently late, parents will be invited to a meeting to discuss ways in which the school can support punctuality.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may visit the house or call the police.
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with the school will issue a notice to improve. Where necessary a penalty notice will be issued or other legal action will be taken where appropriate.

4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels by half termly written reports.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

The headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as an unavoidable event such as a death or ceremonies for religious or cultural events such as weddings and funerals.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 2 before the absence, and in accordance with any leave of absence request form, available from the office. The head teacher may require evidence to support any request for leave of absence.

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority.
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

Penalty notices

The headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis

- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

6. Strategies for promoting attendance

- Communication with parents reinforces the importance of attendance. This includes information in the newsletters, messages on social media and parent information evenings.
- Individual attendance is discussed a progress meetings with staff and with parents consultation meetings. In these discussions, attendance is linked directly to progress.
- Attendance is encouraged at a class level and teachers follow up absence with children on their return to school in the form of check- ins.
- National resources/ information leaflets are shared with parents
- Supporting pupils who are absent or returning to school
- **Multi-agency working:** We will work with parents, local authorities and other agencies, including the virtual school head, to communicate expectations about attendance and improve it. This includes any multi-agency work for disadvantaged pupils, those with SEND, those who are known (or previously known) to children's social care, and those who may face other barriers to their learning and/or wellbeing.

7.1 Pupils absent due to complex barriers to attendance

The school will:

Regularly meet with the families to understand what the barriers to attendance may be.

Make reasonable adjustments to support and encourage attendance. This may include a part time timetable.

Act on advice given by appropriate professionals/ agencies.

Review the effectiveness of adjustments.

Refer to Milton Keynes SEND team, the Mental Health Support team and/or complete an Early help Referral.

Conduct home visits where appropriate.

If a child is not attending school at all, a home visit will be made once a week.

7.2 Pupils absent due to mental or physical ill health or SEND

Regularly meet with the families to understand what the barriers to attendance may be. Involve the SENDCo or any medical professional involved with the child.

Ensure support for attendance is addressed on the child's support plan where appropriately and reviewed regularly.

Make reasonable adjustments to support and encourage attendance. This may include a part time timetable.

Where the child is not at school due to EBSA, emotionally based school avoidance, the school will follow the Milton Keynes guidance for EBSA, which is available on the local offer page.

Act on advice given by appropriate professionals/ agencies.

Refer to Milton Keynes SEND team, the Mental Health Support team and/or complete an Early help Referral.

Conduct home visits where appropriate.

If a child is not attending school at all, a home visit will be made once a week.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

7.3 Pupils returning to school after a lengthy or unavoidable period of absence

Regularly meet with the families to understand any support the child will need on returning to school.

Make reasonable adjustments to support and encourage attendance. This may include a part time timetable.

Safeguarding

We recognise that 'Working together to improve school attendance' is statutory guidance. We will work closely with local authority (LA) children's services where absence indicates a safeguarding concern.

We recognise that regular school attendance is essential for pupils' educational achievement and wellbeing. Poor attendance can be an indicator of safeguarding concerns, and we will treat persistent or unexplained absence as a potential safeguarding matter.

Safeguarding referrals: Where absence indicates a safeguarding concern, we will:

- Follow our safeguarding policies and procedures
- Share information with the Designated Safeguarding Lead (DSL)
- Work with LA children's services and other relevant agencies as appropriate
- Make referrals to children's social care where necessary

8. Attendance monitoring

8.1 Monitoring attendance

The Headteachers' will monitor attendance weekly and follow up any absences or concerns that arise. Howe Park School values the relationships with its families and therefore will work in close collaboration to support families and children to be in school every day.

The school will analyse attendance and absence data, including punctuality, half-termly, yearly across the school and at an individual pupil, year group and cohort level. They will look for patterns and trends, including children from key vulnerable groups and additional targeted children within the school.

Monitoring attendance patterns:

We will closely monitor attendance for all pupils, with particular attention to:

- Pupils who are absent on repeat occasions
- Pupils who have prolonged periods of absence
- Disadvantaged pupils
- Pupils with SEND
- Pupils who are known (or previously known) to children's social care
- Pupils who may face other barriers to their learning and/or wellbeing

Specific pupil information will be shared with the DfE on request.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data against national levels to identify areas of focus for improvement, and share this with the governing board.

8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

8.3 Using data to improve attendance

The school will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers to facilitate discussions with pupils and families, and to the governing board and school leaders (including special educational needs co-ordinators, designated safeguarding leads)
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

Below 90%- Persistent absence

You will be invited to a meeting with the Head teacher to discuss ways in which we can work together to improve your child's attendance.

Below 88%

Tier 1: You will be invited in to complete a formal action plan alongside school to support your in improving your child's attendance. An Early Help Assessment will be offered to you.

Tier 2: While the action plan is in process, school will be monitoring trends in your child's attendance.

Tier 3: Despite Tier 1 and 2, if your child's attendance drops to 80% or below, school will make a referral to the Multi Agency Safeguarding Hub for external support to improve your child's school attendance. As part of this referral, we will involve the Local Authority.

Below 50% (Severe absence)

If your child's absence falls below 50%, they are considered to be a severe absentee. At this point, the Local Authority are responsible for the support and sanctions in place.

During our monitoring we will always:

- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education 2025
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

9. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum yearly by the head teacher. At every review, the policy will be approved by the full governing board.

10. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy

- SEND policy
- Supporting pupils with medical conditions policy
