

Trowse Primary School

As we come to the end of another successful school year, I would like to take a moment to reflect on all that we have achieved together and to celebrate the many highlights that have made this year so special.

Our pupils have continued to impress us with their enthusiasm, curiosity, resilience and kindness. Every day they have approached new challenges with determination and a willingness to learn, whether in the classroom, on educational visits, through sporting events, musical performances or the many enrichment opportunities that have taken place throughout the year. We are incredibly proud of all they have accomplished and the positive contributions they make to our school community.

None of this would be possible without the dedication and commitment of our staff, who work tirelessly to provide the very best experiences for every child. Their care, professionalism and passion are evident in all that they do, and I am enormously grateful for their hard work.

I would also like to extend my sincere thanks to you- our parents and carers. Your support, encouragement and partnership play a vital role in the success of our school. Working together, we create an environment where children feel safe, happy and confident to achieve their very best.

A special farewell goes to our Year 6 pupils as they prepare for the next stage of their educational journey. They leave us with many wonderful memories, and we know they will go on to achieve great things. We wish them every success and happiness in the years ahead.

As the summer holidays begin, I hope that everyone enjoys a well-earned break filled with laughter, relaxation and quality time with family and friends. We look forward to welcoming everyone back in September for another exciting year of learning and personal growth.

With warmest wishes,
Stuart Odell,
Headteacher

Parent Survey

Thank you for completing your end of year survey- I really appreciate you giving up the time. This year we have had a great response with 100 replies! That's twice as many as last year! Here is a quick summary of the percentages- for you to see how positive you all feel about the school. The survey remains exceptionally positive, with parental confidence in the school remaining very high.

Don't forget: The Summer Reading Challenge 2026

The Summer Reading Challenge is a free activity for children aged 4-11 delivered by The Reading Agency in partnership with public libraries and powered by Universal Music UK. It's all about reading for fun, aiming to improve children's skills and confidence over the summer holiday.

Children can pick up their Summer Reading Challenge pack and free magazine from their local library. They set their own reading goals and read anything they like from the library. They collect reward stickers as they achieve their reading goals. At the end of the summer, children who complete all

their goals earn a certificate and a medal. For under 5s there is a mini challenge, so they don't miss out. [There is also a digital platform with different activities and digital rewards.](#)

This year's theme is Read to the Beat, giving everyone the opportunity to discover diverse musical genres and cultural influences through specially curated reading lists and engaging activities that celebrate the connection between storytelling and sound. [There will be lots of free children's activities in our libraries including professional music and dance artists.](#)

To sign up, just pop into your local library. Children will need to be library members - you can do this in a library or online. It's free of charge and children will receive their own library card for which there are no overdue fees. [Find out more about joining the library in branch or online.](#)

Nationally the Summer Reading Challenge has engaged over half a million children annually for more than 25 years. It starts on Saturday 4 July and finishes Saturday 12 September.
