Year 6 Leavers

Year 6 parents and carers please join us to say goodbye to our Year 6 children:

Upper Site – Thursday 25th June at 1.30 and
Lower Site – Friday 26th June at 1.30

It will be a chance for us to present each child with a memento of their time here and to say some words about every different individual who will be leaving us.

The Year 6 children who are going to Trinity Academy will leave us on the following Friday 3rd and start at their new school on Monday 6th July.

TRANSITION DAY

All of our children will move up to their new classes for the day on Friday 3rd July.

Lots of our Year 6 children will also spend the day at their new secondary schools, however, our Trinity Academy Halifax children will spend their final day at Ash Green.

FREE SCHOOL MEALS

A letter was sent home with your child, yesterday, outlining the changes to Free School Meal applications from September 2026. Please complete the slip (whether entitled or not) and return to school by Wednesday 24th June. All returned slips will be put into a free draw and a £50 shopping voucher is up for grabs – at a shop of your choice!

Applying online will only take 5 minutes – see the link below.

PARENTAL CONDUCT

Thank you to our overwhelming majority of parents and carers for their impeccable conduct in school and in verbal communication. Thank you also for your wonderful support to staff – this was highlighted so much this last two weeks with the thanks on Dojo for our Y5 staff on London trips. Sadly, we have had isolated examples of rudeness to staff and even bad language this term and this is unacceptable.

Please, let's all show one another respect and kindness and create the example we want our children to follow. Thank you for your support.

FACEBOOK PAGE

We are pleased to announce the launch of our new school Facebook page.

The page has been created to help keep families informed about important school news, updates, events and announcements. It will also provide an opportunity to celebrate our pupils' achievements and share highlights of school life.

CAPITAL BEHAVIOUR

We had the privilege of taking our two Year 5 classes to our capital city, London, over the last two Wednesdays. Each class travelled by train and underground, sailing up and down the River Thames and seeing London from the skies as we used the London Eye. We were also indebted to our Halifax MP, Kate Dearden, who arranged for us to tour the Houses of Parliament and to go down Downing Street to Number 10. Every child who travelled with us were a credit to themselves, our school and their families. Thank you to them and the staff who worked long hours to create wonderful memories.

Our Year 5 children are proud to be taking part in the Safe Travel Cup 2026. This exciting campaign encourages pupils and their families to choose sustainable methods of travelling to school, such as walking, cycling, scooting, or using public transport. By taking part, we can help reduce congestion, improve air quality, and promote healthier lifestyles.

Keep an eye on Class Dojo for updates and information about how you can earn rewards and win prizes for travelling sustainably to school.
