She has an amazing imagination! Keep it up Marin!

Oak Assembly

A huge thank you to all of the families of Oak Class that came to watch their assembly this morning. They impressed us with their fantastic story writing, wonderful art work and they even showcased their musical skills by performing a rap. It was clear that they have learnt so much about the Maya Civilization. Well done Oak Class - we are proud of you!

A visit from Judith Cummings

Last Friday, we welcomed the MP Judith Cummins to our school. She had a tour of the school and then Judith met with the school council for a lively questions and answer session. The children spoke about their priorities for the school, the local issues in the community and the asked Judith questions about her work as a Member of Parliament and Commons Deputy Speaker.

Judith also met with Amandeep and Adamjeet who took part in the British Chess Championships.

Judith praised our school by saying: "It was wonderful to visit Stocks Lane Primary and meet such confident, thoughtful and ambitious young people. The School Council were outstanding, and it is clear the school is doing a fantastic job of empowering pupils to have a voice."

Mrs Neal commented: "We were delighted to welcome Judith Cummins to Stocks Lane Primary. Our pupils were so proud to share their ideas and ask thoughtful questions, and it was wonderful to see their confidence shine through. At Stocks Lane Primary, we work hard to create a nurturing, ambitious environment where every child feels heard and valued."
