

# Meadowside

There was a real buzz of excitement in Year 2 this week as we welcomed a very special visitor from 'Your Harrogate' Radio! The visit celebrated one of our lucky pupils, who had won an incredible prize—tickets to the much-loved Tractor Fest, along with an unforgettable visit from Rion Farm Services, who brought a real tractor along for him and his Year 2 friends to enjoy!

The children were absolutely thrilled to get up close to the tractor, ask questions, and share in such a unique experience together. It was a fantastic opportunity that brought learning to life and created some wonderful memories for everyone involved.

We are so proud to share that Meadowside made such a positive impression during the visit that 'Your Harrogate' has chosen us as their 'School of the Week' for the first week back after the holidays!

Make sure you tune in to 'Your Harrogate' Radio at 8:45am from 1st–5th June to hear some of our fantastic children on air. We can't wait for you to hear their enthusiasm and excitement—it's a week not to be missed!

A huge, heartfelt thank you to our amazing FOM team for everything you do for our school. Your time, energy, and dedication make such a difference to our children’s experiences— we truly couldn’t do it without you!

We are incredibly grateful for all that you have already achieved for us this year. Your hard work, creativity, and commitment never go unnoticed, and the impact you have had is reflected in the wonderful opportunities and resources our children continue to enjoy.

Please take a moment to look through the impressive list of everything you’ve accomplished so far.

We have received confirmation from North Yorkshire Police that parking on Alexandra Park Road is designated as private and is reserved for local residents only.

As a school, we are continuing to work closely with our community to ensure that the area remains a safe, respectful, and pleasant environment for everyone. We kindly ask all families to be mindful of this when parking and to support us in maintaining positive relationships with our neighbours.

Thank you for your ongoing cooperation in helping keep our community safe and happy.

We would like to remind all families of our school jewellery policy, which is in place to ensure the safety of all children.

Earrings must be simple studs only.

No other jewellery should be worn to school. The only exception is a watch, which pupils are welcome to wear.

These guidelines help to prevent accidents and ensure that all children can take part safely in lessons and activities.

Thank you for your support and cooperation.

It’s me— Houdini! I just wanted to say a very big thank you for the wonderful home you’ve given me. I feel so safe, warm, and comfortable here, and I couldn’t ask for a better place to live. I absolutely love all the tasty treats (they’re my favourite!) and all the gentle hugs and attention I get every day. You all make me feel very special and very loved. I would also like to give a special thank you to the fantastic Year 6 children who have taken the time to learn all about me. You’ve done an amazing job researching what I like, how I should be handled, and what helps me stay happy and healthy. Because of you, everyone knows how to take such good care of me—whether it’s giving me the right food, making sure I’m cosy, or handling me kindly and gently. Thank you for making my life so happy here at Meadowside. I think I’ll stay... although, as you know, I do like to keep up my reputation as a little escape artist! With lots of squeaky love, Houdini
