

# Meadowside

## Warmer Weather

As the warm weather finally approaches, please can all children have a water bottle in school, please provide a sunhat/cap and children can apply sunscreen before school or bring sunscreen in to apply themselves. Thank you.

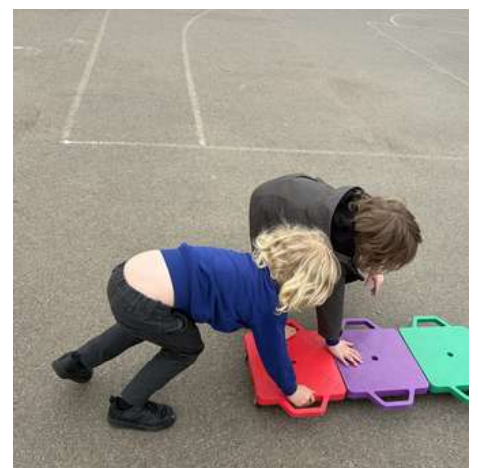

We are delighted to announce that we are currently seeking a Reception Class Teacher to join our wonderful Meadowside team. This is an exciting opportunity for a caring and enthusiastic teacher who is passionate about early years education and inspiring young learners at the very start of their school journey. If you—or someone you know—would like to be part of our warm, welcoming school community, we would love to hear from you.

**Please visit the 'Vacancies' section of the school website for more information!**

*Thank You!*

We are extremely grateful to Broadacres for issuing a grant that has enabled FOM to purchase us new outdoor play equipment for our children. Their generosity has made a huge difference, and the equipment has been a fantastic addition to our playground. The children have absolutely loved using the new resources during break and lunchtime. It has been wonderful to see the equipment being so well used and enjoyed by everyone. Thank you once again to Broadacres for your kindness and support — you have helped make playtimes even more fun at Meadowside!

A huge thank you to all of the incredible students of Meadowside who submitted an entry for the Bed Design. Every single entry has been truly amazing, showing so much thought, creativity, and attention to detail.

Our teams have been working incredibly hard, and they should be very proud of the way they have represented Meadowside. You have all done the school proud!

To round things off, here are two photos from after the Bed Race run for your entertainment – a lovely reminder of the teamwork, effort, and fun involved.

Well done, everyone!

With so many amazing entries, picking two winning designs was certainly a challenge. Judges decided on a brilliant 'Flinstones' design and the game 'Operation' both created in the 1960s. The design winners are: Emily and Elouise in Year 5. Brothers James and Luca, and Annie in Year 2.

---

Sporting Influence rolled out a year 5 high-energy Dodgeball Competition at Meadowside Academy, joined by Aspin, St John's and St Mary's. Every child represented their school brilliantly, diving, dodging and throwing shapes all day long. Standards were high, balls were flying, and no one was safe – in the best possible way. An absolutely smashing day was had by all!

If you would like to track Mrs Rowe's London Marathon you can download the TCS London Marathon APP and her bib number is 35745
