Wear yellow for Mental Health

On the 9th of October Rainham Village Primary we will be taking part in World Mental Health Day. We will all be wearing yellow and raising money to show young people that they're not alone with their mental health.

Your donations will go towards providing Parents Helpline advisors who can provide vital advice to parents or guardians helping them to support a young person who is struggling with their mental health. It will also go towards online resources allowing young people to feel that they are not alone.

Harvest - Wednesday 21st October

Please wear non-uniform on Wednesday 21st October and donate an item to Rainham Foodbank. They are grateful for any donations but at the moment they are particularly short of the following items: tuna, pasta sauce, jam, UHT milk, biscuits, squash & rice pudding. They are also running out of toothpaste and shower gel. Every little counts. Please help us to help the Rainham community.
