Newsletter

Dear Families,

Today we enjoyed a fantastic Summer Fair! A huge thank you to our brilliant PTFA who worked tirelessly over the last few weeks to ensure it was a fun and enjoyable event for everyone.

This week, our Year 4 students went on their first residential trip, and we are incredibly proud of how well they conducted themselves. The Year 4 children who stayed at school also did an excellent job and showed great enthusiasm in their activities.

We also have some exciting new additions to our school community - two new chickens! They don't have names yet, and we would love your suggestions. Please email the school office with your ideas.

Thank you for your continued support.

Yours faithfully,

Mrs Sipula and Mrs Easton, Deputy Headteachers

Grounds Day Thank You

A massive thank you to all the families who came to help improve the school grounds during our last Grounds Day.

The next Grounds Day will be on

Saturday 22nd June

between 1pm and 4pm.

Please inform the school office if you would like to attend. Please bring gardening tools and gardening gloves. Tea and cake will be provided and everyone is welcome.

We are trying to find a wooden shed for the Forest School area. If you have one in good working order, or know of anyone who might donate one then please get in touch with Maddy - maddyalexander@brunswick.brighton-hove.sch.uk

Eid Mubarak

This weekend our Muslim families will be celebrating Eid Ul Adha which marks the completion of the holy pilgrimage to Mecca.

We would like to wish all our Muslim families Eid Mubarak and hope you have a lovely day celebrating with family and friends.

Year 5 Rockets Day

Year 5 had a fantastic afternoon exploring forces and physics through making rockets.

Year 4 Penshurst Place Residential Trip

Our Year 4 pupils had an unforgettable experience at Penshurst Place, where they learned essential bushcraft skills, including fire-building and shelter-making, while enjoying the great outdoors. The children returned with newfound confidence and enthusiasm for nature and teamwork.

A huge thank you to Ms Mason for organising such a brilliant trip and to all of the adult helpers who supported on the trip.

Exploring Nature and Creativity The Year 5 students had an exciting start to the term, working in teams to create Nature Art inspired by the South Downs for our new topic, "Up the Downs." This engaging project got them excited to learn more about the South Downs while exploring their creativity. The students used natural materials they collected, showcasing their artistic talents and teamwork skills.

Y3 go Curling!

Year 3 were visited by Coach Dan this week to have a taster session in curling. We learnt all about the correct technique to move the stones and played a variety of games that really worked our mental maths strategies! We had the opportunity to play four different games and discovered how to block and knock off other people's stones, all whilst working on our resilience and perseverance too.

Communication Update Have you have recently changed your email address? If so, please email the school office with your child's name , class and new email address as soon as possible please and we will update it. If you are unsure, please call the office and we will be happy to check for you. Please email - office@brunswick.brighton-hove.sch.uk

Congratulations to Izzy!

Congratulations to Izzy, Year 4, who achieved **competition success at the English silver tumbling championships**. Izzy completed three beautiful routines and won gold to be crowned English champion! As you can imagine she was absolutely delighted with the result and we are all very proud of her.

Feedback:

Feedback from Reception:

- "I had to listen to the man he showed me how to hold the club. I used a golf club, I had to flick the ball into the cone, it was fun!" - Anthony (Hamster Class)
- "The man said we needed to hold the club like this. We had to hit the ball into the cone. Then are partner could have a turn. I was good at it, I loved being kind to my friend". - Elena (Rabbit Class)
- "There were two teams. One team had to try and get the ball into the cone. The other team had to hit a cone. It was fun, I liked it when me and my friend got 10 points!" - Stefan (Rabbit Class)
