Inspire Workshops

Inspire workshops are events which we put on throughout the year for Parents to come into school and have the opportunity to learn with their child.

We had three inspire workshops this week: Year 6, Year 4 and Reception. They were all fantastic events with great attendance from our Parents. Thank-you so much for attending and I hope it helps you receive a glimpse into your child's curriculum and learning. We would really appreciate you completing the feedback form which has been emailed out to you all.

Year 2's Inspire Workshop is on the 7th October 😊

Stars of the Week

Congratulations to our stars of the week! We are so proud of you :)

Flu Vaccinations

On Wednesday 15th October, we have the NHS team in school to provide Flu Vaccinations to children. The team will not provide a flu vaccination to your child without your permission. Please ensure that you have signed up so that your child can access this service, if you wish for them to do so.

For information purposes, the vaccine is not an injection it is a spray through the nostril.

Attendance

Attendance matters. Every day out of school is a day of missed opportunity to take another step forward in building the skills and knowledge needed for a bright future.

We firmly believe that good attendance is essential to a child's success – both academically and socially. Regular school attendance helps children build positive routines, strengthen relationships and achieve their full potential. Please ensure that your child attends everyday.
