

We hope you all had a fantastic, relaxing bank holiday weekend and managed to soak up some of that lovely sunshine. Year 6 pupils begin their long-awaited SATs, beginning on Monday. We are incredibly proud of the resilience, hard work, and positive attitude they have shown throughout the year; now is simply their time to show off everything they've learned. Please join us in wishing them the very best of luck. You've got this, Year 6!

Beech Class Assembly

Beech class performed their class assembly this week, showing their parents and peers everything they have been learning about in class.

This included lots of historical facts and pieces of writing about Mary Seacole, grouping numbers and a wonderful song about plants.

Elder Class Assembly

Last week, Elder Class took us on a trip back to the early Middle Ages with their assembly about the Anglo-Saxons. The children performed a short play, showcasing the daily lives of people from the era. To wrap things up, the whole class came together for a powerful, rhythmic chant that echoed throughout the hall.

Lost Property

We have a growing mound of lost property in school, filled with everything from glasses to some expensive looking coats. If your child has lost anything recently, please prompt them to have a look. At the end of the half term we will have to give this away to free up storage space.

Bikeability Training

Bikeability have been to the upper site twice over the last couple of weeks to run cycling sessions with children. The first sessions helped children improve their cycling proficiency, whilst the second helped others to learn to ride for the first time.

Move-it May!

As part of our efforts to promote good physical and mental health habits, we have been encouraging physical exercise in school. Throughout the month of May, both adults and children in KS2 have been completing laps of the field every lunchtime. Some take a leisurely stroll, enjoying the fresh air and relaxed conversation, while others take a more competitive approach! Either way, there has been much energy and enthusiasm shown.

Term Dates

Monday 11th - Thursday 14th May	Year 6 SATs Week
Wednesday 13th May	Ash Class Assembly
Wednesday 20th May	Oak Class Assembly
Monday 25th May	HALF TERM WEEK
