

## MARCH ROUND UP

As we move through March, it has been another busy and enriching month in school, filled with opportunities for learning, creativity and coming together as a community.

### MARCH'S VALUE

Our value for March is Love.

This is at the heart of everything we do in school, encouraging kindness, compassion and respect for one another.

We have seen the children demonstrating this through their friendships, teamwork and the way they support and care for each other each day.

### AMAZING MUSIC

The children in Year 4 performed a concert for their parents to showcase the work they have been doing this term with Wigan Music Service. Each term they have a different type of percussion instrument and this term we had the Samba drums. Their concert was extremely loud, showcasing the different pieces of music they have put together. The children also performed a song with soloists. Next term they will be learning how to play the African drums.

### INTERNATIONAL WOMEN'S DAY

To mark International Women's Day, Year 5 went to Murphys where they took part in a range of activities. The focus was to look at how project designers work, particularly with the building of the new train station in Golborne. There were opportunities for the children to carry out a range of practical and design tasks. This forms part of the Careers-Related Learning curriculum we have in school. took home a token to spend on a book of their own.

### THE EASTER JOURNEY

Some of the children went to St John The Baptist Church in Earlestown where they took part in the Easter Journey. The children travelled through the different events which form the Easter story and looked at the significance of each one. They were able to ask questions to extend their understanding. A huge thankyou to the volunteers from St John's Church for giving up their time to work with our children.

### ATTENDANCE UPDATE

Well done Years 3 & 5 for having the best attendance in the school.

Whole School 94.4%

Reception 96.2%

Year One 93.6%

Year Two 91.8%
