28th April 2026

Dear Parents and Carers,

As you are aware, this year School Council decided they would like to focus on some fun fundraising projects for school. They decided that they would like to run a small shop each month selling various items.

The shop runs from the **Breakfast Club windows** (which can be found on the nursery playground) at **2.50pm-3.20pm** on the first Friday of every month.

This week there will be new playground toys on both playgrounds, chosen by the children and purchased from the money raised at these events. Thank you so much to everyone who has come along and supported the children at the shop each month.

The next shop will be this **Friday, 1st May** selling ice pops, doughnuts, crisps and drinks.

- We look forward to seeing you again, supporting School Council and their fundraising goals.

Many Thanks,

School Council, Mrs Pickering and Mrs L Kehoe
