2<sup>nd</sup> July 2026

To the parents of Year 6 children

## **KS2 SATs Results**

I expected the Key Stage 2 SATs results to be available to school next Tuesday, 7<sup>th</sup> July, the same day they are available every year. I have had an email this afternoon from the Department of Education explaining that these results will now not be available to schools until 16<sup>th</sup> July.

This is part of the information the government have asked me to send to parents:

***Schools were due to receive results on 7 July 2026. However, Pearson Education Limited, the provider responsible for administering, marking, and returning Key Stage 2 results to schools has informed the Department for Education of a delay affecting the national system used to make results available to schools. Results will now be available on 16 July 2026.***

***Importantly, the delay is not related to the quality of the tests or the accuracy of pupils' results. Test papers have been marked in line with usual processes.***

I am aware that the results are now due the day before the children finish school. As long as they are available on the 16<sup>th</sup> I will do all I can to send them home on that day with your child.

Yours sincerely,

Ray Moloney
