Parents Evening Meetings at School

Dear Parents/Carers,

Parents evening will be held in the school hall on **Tuesday 11th November** after school.

Each meeting will be for 5 minutes.

Please see the instructions below to book your appointment time for your child's teacher.

How to book your appointment

To book your appointment please login at: <https://parents-booking.co.uk/stwilfridsprimary>

To login you will need to enter:

- Your first name and surname.
- Your child's first name, surname and date of birth.

The login details must match those that we have on record for you. If you have more than one child at school you only need to enter one child's details when logging in, you can then make appointments for all of your children's teachers. If you cannot login please contact the school office.

Once you have booked your appointment time, please ensure that you arrive at school on Tuesday 11th November in plenty of time.

The deadline for booking your appointment is **Monday 10th November**.

No appointments can be made on the day of parents evening by school office staff.

There is a useful video with further help for parents:

Please note there will be no after school clubs on Tuesday 11th November.

Yours Sincerely

Mr R. Moloney LLB.
