Maths Day – Friday 14th November 2025

Dear Parents and Carers,

On Friday 14th November, we will be celebrating Maths Day in school. At St Wilfrid's, we aim to instil a love of Maths and encourage all of our children to become confident mathematicians. It is really important that our children develop a positive, 'can-do' attitude towards Maths and that you support them in this endeavour.

From 9.05-9.45am on Friday 14th November, we would love for you to join your child in class for a Maths lesson. All classes from Reception to Y6 will run a Maths session for parents to join in with.

The children will then spend the rest of the day celebrating mathematics and thinking about how important Maths is in our everyday lives.

Together we can make Maths Day as memorable as possible for the children. We look forward to seeing you then.

Kind regards
Mrs Shaw and Miss Chisholm
Mathematics Lead Teachers
