Dear Parents,

Sacramental Programme

Thank you for those who replied earlier this school year registering an interest in the Sacramental Programme at St Augustine's.

Very few families have registered an interest so it has been decided that the Sacramental Programme will be deferred until next school year when it will be offered to 2 school year groups. This will allow many families time to get their children baptised.

If the Sacramental programme is something you would still wish to pursue this school year it may be worth speaking with the parish priest at the church you attend regularly.

You will be contacted again in September, when your child is in Year 4, with details of the new Sacramental Programme

Yours Sincerely

Ray Moloney
