Dear Parents/Carers,

Well, here we are – the end of the term and the school year! See p2 for some of our highlights from this term.

Our 'move up' days gave all children a taste of what next year will bring. Our new Reception starters settled straight in to Acorns Class, well-supported by the 'new' Year 1s and 2s who were glad to show them the ropes! Miss Sheader was given a warm welcome by the new Saplings children and we look forward to having her join us in September.

As excited as we are to welcome our new staff and children, it also signifies time for a few goodbyes. On behalf of the whole school community, I would like to say a heartfelt thank you to Miss Corcoran and Mrs Merron. And of course, our amazing Year Sixes, who have lots to celebrate as they prepare to move on after today – all of them are really well-placed to go forward into Year 7 with confidence, courage and resilience to make the most of the next stage of their education.

The children had a great time at St Helen's on Monday with the Hackness children, giving them chance for a final sports event to round off the year together! We loved hearing feedback from St Helen's and their guests about how beautifully the children played together.

If you haven't had chance to respond to the parent survey, it is open for another day or two and we would really appreciate your views! We are also looking for volunteers to come and help revitalise our outdoor areas after summer, **with a provisional date of Sunday 13th September** – please get in touch with Mrs Thorp via Dojo if you can help!

I would like to take this opportunity to thank you all – parents, carers, families and staff – for your ongoing support this academic year and the contributions you all make to our wonderful community. I hope you all have chance to switch off at some point over the summer holiday... or if 'switching off' isn't an option, at least some fun family time! We will be welcoming children back to school on **Tuesday 8th September**, when we will enjoy hearing about everything they've been up to!

I wish all of our children, families, staff and wider community a safe, happy and restful summer and I look forward to seeing you in the new academic year. Have a lovely break!

Mrs Thorp, Executive Headteacher
