Christian Value: Humility

British Value: Individual Liberty

Core subjects this half term

English

Reading

Our class text this half term is Finding Bear by Hannah Gold.

Writing

Children will explore two different forms: a partial narrative (where the children create the climax, resolution and ending) and a balanced argument. Grammar will focus on use of description and figurative language to create atmosphere; and using cohesive devices to create a well-presented argument.

Maths

This half term children will explore the use of decimals and how they show equivalents to fractions and percentages. Following this, they will then use this knowledge to help understand percentages and how to find percentages of amounts.

Our recall facts this half term continue to focus on times tables 2s through to 12s. Children can practise at home by logging on to TT Rockstars - login details are stuck into your child's reading record. Additionally, children should have a set of practice cards.
