Dear Parents and Carers,

As part of our work with the Calderdale Mental Health Support Team (MHST), we would like to share the opportunity for parents and carers to attend an online workshop delivered by Northpoint via Teams. The workshop is part of the MHST transition offer to schools in supporting Year 6 pupils who will soon be transitioning to Year 7 at secondary school.

We know that this upcoming change from primary school to secondary can be unsettling as well as exciting so we aim to ensure the transition is as smooth and as positive as possible. The transition offer from MHST helps to support that process and includes workshops for both parents/carers and our Year 6 pupils.

The face-to-face workshop for Year 6 pupils will happen in the Summer Term, but the online workshop for parents/carers is taking place next Wednesday the 18<sup>th</sup> of March from 6pm to 7pm. If you would like to book on to this event, please follow the link below:
