Dear Parent/Carer

Seasonal Flu vaccine offer – Reception to Year 11

The seasonal flu vaccine is part of a national health programme to protect children, their families and communities. For more information including possible side effects please visit: [Flu vaccine - NHS](#)

How to consent: We are coming to your child's school on **04/11/25**, please ensure that you have submitted a form, even if you do not consent, prior to this date.

Please click the link below to access the online consent form. Please complete the form as soon as possible.

<https://immunisation.cht.nhs.uk/vaccinations/flu?code=107554>

Does the nasal spray contain porcine?

Yes, but it's a highly purified form, barely detectable, and approved for medical use by the British Fatwa Council. A porcine-free injectable alternative is available for those with medical or cultural needs. Primary school children eligible for an injection cannot be vaccinated in school and will require a clinic appointment. Please ring the above number to book an appointment.

After submitting consent, if your child is vaccinated at the GP, you change your mind, or there are any health changes, you MUST contact us on the number above. (Please note GPs do not routinely offer flu vaccines to healthy children.)

If you provide a valid email address, you will receive confirmation once your child is vaccinated.

Support with the form: If you have trouble accessing or completing the online form, please call us using the number above.

Yours faithfully

School Aged Immunisation Service
