Re: Year 6 SATs Results

Dear Parents

I am writing to let you know about a delay to this year's Key Stage 2 (KS2) test results, which affects all schools nationally.

Schools were due to receive results on 7 July 2026. However, Pearson Education Limited, the provider responsible for administering, marking, and returning Key Stage 2 results to schools has informed the Department for Education of a delay affecting the national system used to make results available to schools. Results will now be available on **16 July 2026**.

We know this is frustrating, and we share that feeling, particularly given that the children will have finished school by this point, so we won't be able to share in their joy and celebration of all their hard work and successes. However, we will celebrate in our own way before they leave, as we are determined not to let national issues spoil our celebrations!

This will not impact your child's transition to secondary school and no action is required from parents or pupils. We will share results with you as quickly as possible after we receive them on 16 July. These will come out via email, directly from our Insight system. Please make sure we have your up-to-date email addresses.

Thank you for your patience and understanding.

If you have any questions, please contact the school office.

Yours sincerely

Miss Embleton
