

## A special thank you

The early days

As we say goodbye to Year 6, we will also be waving off a small but determined group of parents who have put a lot of their own time and effort into our beautiful nature area.

David Fanaroff has played a key role in this group and has been responsible for organising working parties, developing different habitat areas and maintaining resources. His knowledge, passion and vision has been instrumental in creating such a special place for Westbrook pupils (and many animals and birds!).

Autumn 2013

As a school, we are extremely lucky to have such a fantastic resource for our children to enjoy and to support many areas of the curriculum.

Outdoor learning week Spring 2014

As a school, we are extremely lucky to have such a fantastic resource for our children to enjoy and to support many areas of the curriculum.

Tree planting December 2019

Outdoor learning July 2019

We would like to say a huge thank you to David, and all the other Year 6 parents in the wildlife area group for all their hard work over the years. It really does mean a lot to us all and we are extremely grateful. Thank you from all the staff and children at Westbrook Lane.

**THE NATIONAL FOREST**

In appreciation of all the hard work maintaining our outdoor learning environment, the staff have contributed something back to the environment. We have made a donation to The National Forest organisation to have some oak trees planted. More details to follow in the autumn term. Have a great summer—and enjoy the great outdoors everyone!
