"Happiness and wonder, inspires success."

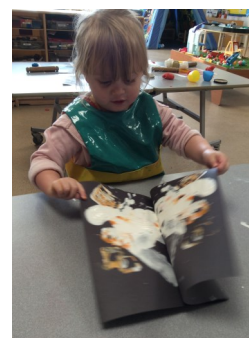

Year 1 have really enjoyed making rose windows in Art. The children were very creative with their designs and worked very carefully whilst using the scissors.

The children are showing a huge interest in Geography at the moment, we are looking at the UK and the children are really impressing us with their enthusiasm and the questions they are asking to find out more information about each country. We would like to take the opportunity to thank the children for their hard work this week!

In Year 2, we have had fun learning about Humanism in Religious Education and exploring the three main rules that Humanists try to live by. In English, we learnt about compound words and practised identifying and using them in our work. In Maths, we continued our learning about 2D and 3D shapes. In Science, we explored why certain materials are used for specific jobs, for example why glass is used for windows.

Blossom News

This week in the Blossom room the children have been exploring the different effects as the ice blocks melted. They were excited to reveal the hidden treasures, and used the polar bear figures to create adventures. They have been using language to describe their findings "cold" "wet" "frozen" "melting" "glitter" "sparkles" and used lots of number language as they counted the amount and built towers with the ice. They have been creating their own pictures of penguins using shapes to print the different features. They have also been mark making outside with the water and chalks as they practiced writing the sound "O" and drawing different shapes.

Dear Parents & Carers

This week in Willow class we have been reading a non fiction book on dinosaurs. We have been learning facts about lots of different dinosaurs. We have made our own fossils using black card and cotton buds. In PE we practiced jumping over cones, and had a go at replay races with varying levels of success!

In Reception the children have been continuing to learn about space and have, this week, learnt about the space race! We have created a timeline as a class of the important events that happened until Neil Armstrong and the moon landing. The children have been fascinated by the first rocket (Rocket V2) and the first satellite (Spudnick 1). This week the children have been learning about doubling and how when doubling we add the same numbers together.

To report your child's absence from School, please call 0121 464 4855 Option 1 between 8:15am - 9:00am or Text 07900 351 202
Please leave your Child's name, Class and Reason for absence.

Pastoral News

Hello everyone

Please make sure your child doesn't bring any toys or other items from home. This week I've seen a spinning top, a ring, nail varnish and lip gloss. Children get upset if their things get lost, broken or taken so we keep them safe until the end of the day.

This week our HERO classes are Maple (who win a HERO Class Treat), Oak and Willow. Well done!

Our school rules of ready, respectful and safe apply to parents/carers in the playground not just the children when they are in school. The following things are NOT ALLOWED - smoking, vaping, pets (even if they are inside your coat), swearing, riding scooters and bikes (these must be pushed) and using the play equipment.

Please share this information with anyone who may bring or collect your child. Thank you for your support.

We know and understand that parenting is hard sometimes. If you're having difficulties and need some support, please drop me a message on ClassDojo, catch me on the playground or phone me. I'm here to help and support you and your child.

Happy weekend!

Beccy 😊

Dates for your Diary

Fri 30/01/26 - Reading Morning 8:30 - 8:45am

Thurs 05/02/26 - All Year Groups - Parent Workshop
2:15pm in Junior school hall

(Personal Safety in the Real and Digital World)

Mon 9/02/26 - Year 1 - D&T Parent Workshop 2:00pm in
the Infant school hall - (Sock puppets)

February Half Term

Star of the Week

Willow:- Autumn-Violet

For writing her name independently.

Oak:- Elliott

For his fantastic letter formation and writing.

Ash:- Tommy

For always being ready, respectful and safe and for always trying his best.

Elm:- Liam

For his great participation in phonics and his meticulous attention to detail in his handwriting.

Holly:- Keshav

For settling well into our school.

Hazel:- Isaac

For great work in phonics.

Maple:- Alby

For amazing reading and writing this week.

Attendance this week (excluding Willow)

92.35%

Class	Attendance %
Willow	92.51%
Oak	96.44%
Ash	92.13%
Elm	86.96%
Holly	91.01%
Hazel	89.95%
Maple	97.35%

Well Done to Maple class who achieved the highest attendance this week!
