Dear Parents & Carers

This week, Nursery has been doing lots of activities around transitioning into Reception. We talked about what we are worried about and what we are looking forward to. Thankfully, we are more excited than worried. We have been having lots of water fights in the playground and we managed to walk 2 miles for our sponsored walk which was 12 times around the junior running track.

Reception has had a good week exploring the story "Room on the Broom" in drawing club. They have been so creative with imagining how they could change the story and create and draw their own broom sticks. We've also had lots of fun in water play trying to keep cool in the sunshine.

In Year 1, we have been learning all about time in Maths and have enjoyed exploring how to use clocks. In English, we have been comparing wombats and kangaroos, thinking carefully about their similarities and differences. In Art, we used clay to create our final sculptures, and we were so impressed with the children's creativity and perseverance. We also had a fantastic transition day today, enjoying time with our new teachers and getting excited for the year ahead!

Year 2 have been working hard on our Leavers' Assembly this week, and are excited to share it with Year 2 parents on Tuesday at 9:30am.

In Maths, we have been measuring capacity in litres and millilitres, as well as exploring temperature - a very fitting topic given the hot weather we have been experiencing recently!

On Friday, we enjoyed a transition morning in Year 3, where we had the opportunity to meet our new teachers and explore our new classrooms. We are now looking forward to a fun-filled final week together, including our school trip on Monday, before ending our Year 2 journey on a high. We can't wait to celebrate all that we have achieved this year!

Dates for your Diary

**Mon 13/07/26 - Year 1 D & T Workshop 2:00pm*

**Tue 14/07/26 - Year 2 Leavers Assembly 9:30am*

Fri 17/07/26 - Last Day of Summer term

**Parents invited*

Blossom News

This week in the blossom room, we have continued to support the children with their transition. We have been talking about their experiences last week, who they liked to play with, who their new teachers are and what things they liked to play with. Outside we have been creating obstacle courses for the children to explore, climbing in and out of ladders, balancing and finished at the water table, where they needed to have a drink. As the temperature began to rise this week, we have been having our snack and an earlier play session outside before it got too warm. The children have also enjoyed some calming activities inside, as we tried to keep them cool, from investigating different coloured water and adding textures for the children to explore, they were able to identify the different colours and talked about the different effects. They have created some colourful pictures as they did finger painting and have been focused as they played lots of games, matching, snap and memory games.

Attendance this week
(excluding Willow)
86.99%

Class	Attendance %
Willow	88.77%
Oak	88.33%
Ash	93.64%
Elm	83.48%
Holly	78.64%
Hazel	90.48%
Maple	87.62%

Well Done to Ash class who achieved the highest attendance this week!
