Dear Parents & Carers

On Monday, the Nursery children thoroughly enjoyed their trip to a farm. In class, they have learned how humans, animals and plants grow by sequencing the pictures. In RE, the children looked at why church is a special place for Christians and the different celebrations that happen in a church.

Well, what an exciting week it has been in Reception! Yesterday, we all had a fantastic time at Hatton Adventure World. The children were really excited to be learning outside of school and remembered our school expectations of 'Ready, Respectful and Safe'. The children loved exploring the park, having a ride on the tractor and meeting the animals! It was so lovely to see the children challenging themselves in so many different ways, overcoming worries and showing a 'can do' attitude with new activities.

Well done, Reception! We are really proud of you! Next week we will be having our whole school Sports Day. Please remember to send your child to school wearing the specified colour t-shirt. If you are not sure what colour t-shirt your child should be wearing please send a dojo message to your child's teacher.

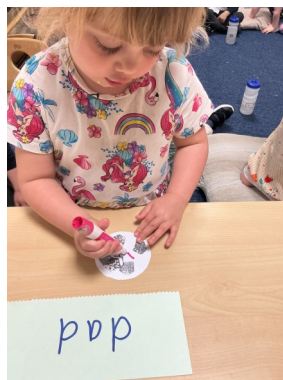

Year 1 had a wonderful time at Cadbury World as part of their History topic this week. The children learnt more about the local history and the impact of the Cadbury family on our local area. They had lots of fun learning where chocolate comes from, the 3D cinema and the playground. The children were very well behaved and were a credit to the school.

What a fantastic week Year 2 have had! The children had a wonderful time visiting the Juniors for an assembly, and they even stayed for playtime, which they thoroughly enjoyed. Hazel Class created their own beautiful mural using printing blocks and added their own fish drawings—such a creative project! Maple Class had great fun exploring and working with clay during Forest School. In Maths, we have been learning all about time, and the children have been working hard to develop their understanding. In History, we learned about Malala Yousafzai. The pupils were truly inspired by her story and it helped them reflect on how fortunate we are to be able to attend school. In RE, we have been exploring Buddhism, focusing particularly on the idea of Right Speech. All in all, it has been a brilliant and memorable week.

Blossom News

As the Football World Cup has now started, the children in Blossom room have been exploring food from some of the different countries involved. During our food tasting sessions, we have been focusing on touching, smelling and tasting the foods. The children have been able to try avocado, pomegranates, waffles, dates, rice crackers, tortilla chips, pretzels and some raspberry trifle. Most of which they seemed to like. This week, we have also been finding out about Father's Day, we have talked about why our Dad's or someone significant in our lives are special and how we can show them that we love them. The children have created some cards and gifts as a token of their love, especially for their Dads or someone special on Sunday.
