

4th July 2024

Dear Parents / Carers,

We would like to invite you to apply for our summer holiday clubs which this year can only be provided free of charge to pupils who are entitled to free school meals or are eligible for a school granted hardship code for which you would need to meet the set criteria. All other pupils can still attend our school clubs but this time for a small daily charge. All clubs include a free lunch and drinks / snacks throughout the day for all pupils regardless of free school meals.

Our holiday provision is very popular, so we are urging families to only apply promptly for clubs which their children can definitely attend and commit to turning up on the day. It is very frustrating when staffing and resources have been paid for and children don't show up. Holiday clubs are costly to school so if you've signed up, please show up! Non-attendance without an explanation may result in your child not being chosen for future opportunities.

The following opportunities are on offer. To apply for a place, you need to register your child at <https://healthyholidays.leeds.gov.uk/> and then scan the QR codes on this letter or follow the links on our Facebook page.
