ASPIRE ENJOY ACHIEVE

Class Charts Goes Live!

After a short trial period with a small group of parents / carers we are ready to roll out Class Charts access to all families.

What is Class Charts for parents?

You will be able to use Class Charts to:

- Keep track of your child's behaviour including seeing any report cards they may have been placed on.
- View attendance records including late marks.
- View announcements including any letters or texts sent out.
- View any rewards or badges your child has received.
- Create wellbeing submissions to inform us of the small things which may impact on your child's day.

If you have more than one child, you can access Class Charts information about your children from a single, centralised parent account. Class Charts for parents can be accessed via their website, or through iOS and Android apps.

How to Get Started

The first step is to download the app which looks like the picture below, make sure you choose Class Charts Parents with a green border. You can also access Class Charts through their website.

1. Select sign up from the main page and fill in the form provided. Enter your parent code into the access code field. Please note: your access code is not the same as your password. The access code is only needed for the initial sign up.
2. Click on the sign up button below the form.
3. Confirm the pupil's date of birth when prompted. Click on the date of birth field and use the date picker to enter the correct date.
4. A confirmation message will appear, indicating that the sign up process is complete. Verify your email address to continue.

What will I see, and What can I do?

There are many different ways to set up Class Charts for parents, some of which is not applicable to primary schools. When you are logged into Class Charts you will see a dashboard with all of your children displayed. Click on their name and then you will see some tabs along the top; behaviour, announcements, on-report cards, wellbeing, attendance and badges. Explore all of these tabs and see what you can discover about your child at school!

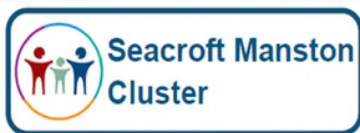

The parent code is yours so feel free to share with anyone you think might want to access the system. Please come and speak to us if you struggle to access the system - Anyone on the gate will help you!

Brave Words and Actions!

The children in Y3 and Y4 started a new drama and writing project this week with a visiting drama teacher. This was their first session of many, but judging by Paisley's reaction it looks like it is going to be a really fantastic project !

Look out for more photos from Y3 and Y4 next week.

SEND Coffee Morning

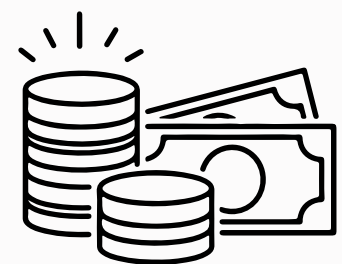

We will be holding another of our SEND coffee mornings on Tuesday 13th October at 9am. This time we will be joined by Laura from the Seacroft Manston Cluster who will talk about how the cluster can support parenting a child with SEND. Put the date in your diaries and come along to the Inclusion door straight after drop off. We will have the kettle on and biscuits ready!

Easy Fundraising

We are always looking for ways to raise more money for school so, how about raising free donations for Grimes Dyke school when you are shopping? Easyfundraising partners with over 8,000 retailers like Tesco, Asda, Amazon, Ebay etc will donate part of what you spend to school, at no extra cost. Start your shop on the easyfundraising website or app, so the retailer can see you've come from easyfundraising. When you make a purchase, the retailer gives a donation and Easy Fundraising pass that on to your school.
