A win for our football team!

Our Y3/4 football team played at another tournament this week and achieved a win in one of their games. Their supporters commented how how much they have improved as a team in all aspects of the game. We'll be moving up the league tables in no time at all. Well done everyone and huge thanks to Craig for giving up his time to coach the team to this success.

Bronze Age Clay Art in Y3

In Year 3 this half term the children have been learning all about the Bronze and Iron Ages. In Art, they have spent weeks researching and designing their own clay beaker pots that might have been used in the Bronze Age. This week they finally had the chance to actually make them!

NO 
PARKING

We have recently received a number of complaints from our neighbours about inconsiderate parking from Grimes Dyke families. Some of these complaints mention cars being parked across driveways stopping home owners from leaving their own property. Please park sensibly as neighbours are collecting registration plates to pass on to the police.

Tree Planting Heroes!

Last Friday was a really cold and damp day, but it didn't stop Team GD! Over the day we managed to plant over 250 trees in a huge team effort. Everyone joined in from the youngest to the oldest children. We didn't even need to explain what to do to most of KS2 as they are tree planting experts now.

Science and Nature Club on Tour

The children in Science and Nature Club went away for one night this week, to Lineham Farm. We didn't do any of the usual activities, but instead designed our own residential visit based around science and nature learning. We had an amazing (but cold) time and discovered some new talents we didn't know our children had.

We are hoping to do another residential visit to Lineham Farm in the summer holidays as part of our holiday club offer, so if you think your child would benefit start thinking about this now. It will be open to all children from Y2 up.

Just One Day!

Next Friday, on the last day before half term we will be supporting the Leeds Lord Mayor's charity fundraising day. **'Just One Day'** is a special day that brings schools, businesses, and communities together across Leeds to raise funds and awareness for the Lord Mayor's Charity. During his term of office he has chosen to support Leeds Mencap, a vital local charity helping children and young people with learning disabilities, autism, and additional needs. We are happy to join in, so will be having a non uniform day on this day. Please send your child with a donation to the charity. Our suggested donation is £1, but all donations help.
