Dear parents, As we reach the end of another eventful year and reflect on the achievements, we offer our gratitude to each of you for your support and commitment to your child's education. Your involvement—whether helping out or attending events, attending parent consultations, or fostering a love of learning at home—has enriched each child's development. It is our partnership that empowers us to create an environment where every student can thrive academically, socially and emotionally. Thank you for being such an invaluable part of their education.

God Bless, and I wish you all a restful Summer Break, Mr Campling.

As it is the last week of our academic year, there have been many goodbyes. On Thursday, the children from year 6 said farewell to us with a beautiful mass they had prepared. Every child took a role in the mass, from altar-servers, to musicians and readers. The children were so confident in all they did for the mass.

Thank you to Fr Jamie for celebrating the mass for us, and also to the many parents who joined us. It was a beautiful send off for the children, and we wish them the best wishes as they move onto their secondary schools for new adventures.

School Games Gold Award

This week we were once again awarded the Gold Award for School Games.

This is a great award to receive which recognises the commitment and engagement we as a school have towards sport. We always strive to enrich our curriculum with events in sport for as many children as possible.

Thank you to Mr Kavanagh and all the staff who have helped with sports this year. It is wonderful to be able to offer such a variety to our children!

May the road
rise to meet you,
may the wind
always be at your back,
may the sun
shine warm upon your face,
may the rains
fall softly upon your field.

Thursday afternoon we said goodbye to three members of staff. Mrs Amoah (Year 1 teacher) who is moving schools to continue her career nearer to home, Miss Wallis (Year 4 teacher) who is relocating to Cambridgeshire and Mr McGovern (Caretaker) who is retiring and taking a well deserved rest.

Children prepared speeches for all the members of staff leaving and they were presented with gifts. We wish them all the best, and they will all be missed!

Art ambassadors trip

Recently, our art leaders along with Miss Daley and Mrs Lee took a trip to the National portrait gallery. They had a wonderful time exploring the famous artwork of many artists.

MEET THE TEACHER

Alongside the newsletter, we have also attached the Term Dates for next year.

In September, we are inviting each year group of parents to come in for a Meet The Teacher event (Dates on the left). This will be an opportunity to meet the teachers along with hearing about the curriculum for the year, specific events happening, key assessments taking place and so on.

Please note that the INSET day in January (**Monday 5th**), will be a parent consultation day. This will be in place of the two parent consultation evenings (October & February). You will be able to book the appointments in December for this day.

Gold Day

Children who have shown consistently outstanding behaviour all year were rewarded with Gold Day this week. They got to enjoy a range of art, sport and other activities.
