3rd March 2026

Dear Parents/Carers

World Book Day

On **Thursday 5th March** we will be celebrating World Book Day. This year to celebrate we will have lots of fun storytelling and book sharing activities in nursery or at the library for the children to enjoy. At nursery we value the importance of developing a love of stories and books together to support communication and early literacy skills. Through books, children will develop their language skills as they learn new vocabulary to name and describe what is happening in the story or on the illustrations.

'Reading for pleasure is the single biggest indicator for success in life, more than family circumstances, educational background or income'

It would be a good opportunity for you and your child to join your local Library if you have not already. You can borrow books for free and join in inspiring reading activities!

Children will not be expected to dress up for World Book Day, but are welcome to if they wish.

Kind regards

Katherine King
