

Dear Parents and Carers,

World Music Day Celebration

Today the children have had a wonderful time participating in African Drumming workshops. This week the children have also all performed with their classes in our World Music Day Assembly. Each year group or class performed a piece of music. We had hits from Moana, body percussion and tuned percussive instruments, traditional Japanese songs and even Toto's, Africa! The children worked incredibly hard.

Discos

It's time to party! Our disco times are listed on our dates below. If your child needs to be dropped at the MFSE after school club, please confirm in writing to the school office. If your child is in Year 2 and needs to be collected from the MFSE after school club, please also confirm this in writing to the school office.

Please also be advised that you must **also** inform MFSE in writing. Children will not be able to attend the discos if MFSE are not aware of this arrangement.

Today is the final day to sign up for the school disco. **The deadline has been extended and now closes at 5pm.**

Hot weather

Next week temperatures are set to soar once again. As part of our school's commitment to keeping your children safe, the following measures are in place:

Key Stage 1 classrooms are air conditioned, helping to maintain a cooler and more comfortable learning environment for the children. Reception classes are equipped with fans and also have rotational access to an air-conditioned room.

Next week all classes are following wet play arrangements. This means that children will remain indoors during break times and the playground will not be used. This approach helps to minimise exposure to high temperatures and direct sunlight.

Kind regards,
Mr Pomeroy

School Council

The School Council will be running a Word Hunt at the Summer Fayre on Saturday 11th July 2026.

Please come and see us at our stall when you first arrive to pick up your Word Hunt sheet.

It is £1 per family and once you have cracked our code everyone gets a sweet.

We are challenging you to crack the code and work out our mysterious words by collecting all the summer letters around the Summer Fayre.

All the money we raise will be going to help the Malang Beyai School in The Gambia, West Africa.

Thank you for your support and we look forward to seeing you at the Summer Fayre.

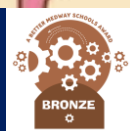

From,

The School Council.
