Young Climate Warriors

Are paper and cardboard an over-used, under-valued commodity that with our fast pace of life we just take for granted? Young Climate Warriors are challenged this week to REDUCE, REUSE, RECYCLE and RETHINK.

REDUCE - Help banish the junk mail and avoid the packaging.
 REUSE - Be creative with the scrap paper, used envelopes and old magazines.
 RECYCLE - Rescue the toilet roll tubes and make sure they're recycled.
 RETHINK - Talk to your parent/carer/teacher about switching to recycled paper. If you would like your child to join in with the Young Climate Warrior Award, please follow this link
