Young Climate Warriors

This week's challenge is all about upcycling - using what you've already got to make something brilliant. Think homemade cards, a 'happy jar' full of jokes or dares, or - with Father's Day just around the corner - how about a jar of promises?

Need some inspiration? Devon artist Jane Perkins recreates famous paintings from old buttons, broken jewellery and discarded toys - see her amazing work at <https://janeperkins.co.uk/plastic-classics/>.

If you would like your child to join in with the Young Climate Warrior Award, please follow this link :<https://www.youngclimateguardians.org/youngclimateguardianssubscribe>

If you have any questions about anything in this newsletter, please do not hesitate to speak to any member of staff.

Thank you,

Jeanette Matthews
