Young Climate Warriors

Heading out on a litter pick ... recycling at home? 'But why?' Why do we bother with all this recycling, and how can it help combat climate change? Young Climate Warriors are encouraged to head out on a litter pick, find 5 items to recycle ... and think about 'why' we recycle. If you have any copper cables needing recycling, join the 'Great Cable Challenge' ... and help save tonnes of copper, and related carbon emissions.

If you would like your child to join in with the Young Climate Warrior Award, please follow this link :<https://www.youngclimatawarriors.org/youngclimatawarriorssubscribe>

Thank you,

Jeanette Matthews
