Friday 18th September 2026

Dear Parents,

Breakfast Club Rota: Monday 21st September 2026

Monday	8.15am - 8.50am	Mrs. Watson
Tuesday	8.15am - 8.50am	Miss Chapelhow
Wednesday	8.15am - 8.50am	Mrs. Fawcett
Thursday	8.15am - 8.50am	Mrs. Matthews
Friday	8.15am - 8.50am	Mrs. Harper

Welly Wednesday : Wednesday 23rd September 2026

There will be no outdoor Welly Wednesday session on Wednesday 23rd September. Please can your child bring their school uniform to change into after PE.

Brass lesson : Thursday 24th September 2026

Due to a previous musical commitment , Miss McQuiston will not be teaching brass on Thursday 24th September so the children do not need their brass instrument.

Phonics Information Evening : Tuesday 29th September

We would like to invite all parents of children in Reception and Year 1 to our Phonics Information Meeting on Tuesday 29th September at 3.40pm. We strongly encourage parents to attend: as this session will explain how phonics is taught in school and share simple, practical ways to support early reading at home. Children are welcome to join our after school club provision while the meeting takes place. We hope you can join us.

Come and join our '100 CLUB' 26-27

The Friends of Greystoke School (FOGS) invite you to join their monthly 100 club draw.

Each month you will have the chance of winning cash prizes and all profits helping raise funds for the children of Greystoke school (£24 for the year or £2 a month for 12 months) You can email: fogs1838@gmail.com for more information or click on the link below which will explain the process and allow you to register. If you have had a 100-club number in previous years, you will still need to register again to take part this year. All applications for the 100 club must be made before Friday 25th September in readiness for the first draw on Thursday 1st October

If you need further information- please just let me know

Lucy Barton- (Edie and Rory's mum) (FOGS Treasurer)

Young Climate Warriors

Young Climate Warriors are challenged to be courageous and play their part in helping reach these ambitious Global Goals. This week's focus is on water - helping achieve the 'Climate Action' goal by reducing our own water consumption, and the energy carbon emissions that go with it. An average bath uses 80 litres of water - that has been pumped, treated, delivered and heated - do we 'really' need a bath?

If you would like your child to join in with the Young Climate Warrior Award, please follow this link : <https://www.youngclimatewarriors.org/youngclimatewarriorssubscribe>

Thank you,

Jeanette Matthews
