Great Science Share: Tuesday 16th June 2.30-3.30 pm

We are delighted to invite you to our upcoming Great Science Share Fair where our children will proudly showcase their curiosity, creativity, and hard work.

Each classroom will feature a different scientific question which the children have worked hard on.

Mrs Willis: What do plants need to grow? Where do mini beasts live?

Miss Chapelhow: How can I power a light in a lighthouse?

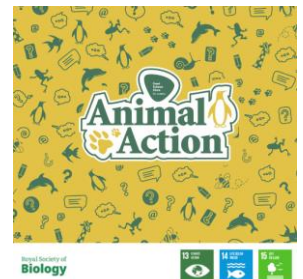

Mrs Matthews: Which animal is the most important of all?

It is a wonderful opportunity to see first-hand the effort your children have put into their learning and to celebrate their achievements together.

We warmly welcome you to come along, explore the exhibits, and encourage our young scientists. Your support and presence mean a great deal to our children. We look forward to seeing you there!
